within each of us pulsates the desire to push boundaries to pursue perfection and to leave an unforgettable mark ayrton senna s the driver who conquered the world is the literary manifestation of this indomitable spirit narrating the saga of a man who became synonymous with excellence not only in his native brazil but in every corner of the globe in the pages that follow we find much more than the biography of an extraordinary pilot we unravel the rich and complex tapestry of a life lived on the edge of speed emotion and human fulfillment ayrton senna was a man who by searching for the perfect line on the race tracks also outlined a path of passion intensity and integrity off them here we weave together ayrton senna s triumphs and challenges weaving an account that goes beyond his crushing victories and epic duels in the rain with an intimate access to senna s thoughts and emotions this book offers a glimpse into the essence of an icon who transcended his sport and transformed the track into a stage of passion and resilience

at the dawn of the twenty first century three ideas dominate the world peace as the preferred basis for relations between and among different countries democracy as the optimal way to organize political life and free markets as the indispensable vehicle for the creation of wealth while not practiced everywhere these ideas have for the first time in history no serious rivals and although the terrorist attacks of september 11 2001 were terrible and traumatic they did not change everything as so many commentators have asserted instead these events served to illuminate even more brightly the world that emerged from the end of the cold war in the ideas that conquered the world michael mandelbaum describes the uneven spread over the past two centuries of peace democracy and free markets from the wealthy and powerful countries of the world s core where they originated to the weaker and poorer countries of its periphery and he assesses the prospects for these ideas in the years to come giving particular attention to the united states which bears the greatest responsibility for protecting and promoting them and to russia china and the middle east in which they are not well established and where their fate will affect the rest of the world drawing on history politics and economics this incisive book provides a clear and original guide to the main trends of the twenty first century from globalization to terrorism through the perspective of one of our era s most provocative thinkers
