in its 114th year billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

the hindu derived meditation movement the art of living aol founded in 1981 by sri sri ravi shankar in bangalore has grown into a global organization which claims presence in more than 150 countries stephen jacobs presents the first comprehensive study of aol as an important transnational movement and an alternative global spirituality exploring the nature and characteristics of spirituality in the contemporary global context jacobs considers whether alternative spiritualities

are primarily concerned with individual wellbeing and can simply be regarded as another consumer product the book concludes that involvement in movements such as aol is not necessarily narcissistic but can foster a sense of community and inspire altruistic activity

partly memoir love story poetry anthology meditation guide and lesson manual that s my story moving down a courageous path uses a variety of methods to lead the reader down a spiritual path towards inner peace and life miracles health is wealth we all know that when health eludes us we need to find new direction and step out of our comfort zone the body is trying to tell us something pointers gleaned from the path of another may become our stepping stones so it is with health and relationships as humans we tend to repeat old patterns to find new love new happiness we need to open to new possibilities i can alter my life by altering the attitude of my mind moving down will inspire you to m o v e d o w n your own path with love and to l o v e your story helps to support those in their awakening by giving them the opportunity to assess the value of the guidance offered and how that aligns with what they already know to be true it is important to encourage each and all to engage in their own practices that cover their entire being body mind heart and soul that s the message that the world needs babaji

this informative introduction to jazz follows the development and the personalities of this uniquely american music form it explores all of the elements that combine to create jazz and takes an in depth look at many of the first jazz musicians from scott joplin to jelly roll morton includes the essential recordings for beginners a selected discography of jazz recordings

this book provides evidence that the emergence of asian new religious movements nrms was predominantly the result of anti colonial ideology from local religious groups or individuals the contributors argue that when traditional religions were powerless to maintain their cultural heritage the leadership of nrms adduced alternative principles and the new teachings of each nrm attracted the local people enough for them to change their beliefs the contributors argue that as a whole the asian new religious movements overall were very ardent and progressive in transmitting their new ideologies the varied viewpoints in this volume attest to the consistent development of asian nrms from domestic and international dimensions by replacing

old traditional religions
