every ten years since 1634 the bavarian village of oberammergau has performed the world's most famous passion play recounting the last days of jesus christ in 2010 presenting the play for the 41st time the village broke with tradition to offer a new interpretation for a post millennial international audience drawing on interviews with villagers and international responses this collection of new essays provides an analysis of the play by scholars who attended topics include changes in response to charges of anti semitism how the play defines the village how the performance changes the audience and a comparison of oberammergau 2010 with american passion plays indian pilgrimage drama and other german passion plays

this book makes an argument critical to literary theory and sexuality in 2022 it argues that colette's fiction portrays a woman struggling to live in the throes of the incest taboo understood in its psychological implications for power relations both private and public then and now informed by julia kristeva's work it approaches colette's writing and its translation along with two films via close psychoanalytic readings it demonstrates that this version of kristeva's psychoanalytic theory in an accessible form and with emphasis on the psychology of women and social transformation helps to read colette for the twenty first century as well as to show how kristeva's theory works this volume examines especially colette's most admired novels especially from the second half of her life including the much misunderstood *la maison de claudine* 1922 where the incest taboo surfaces in the relationship of the narrator with the mother the taboo had appeared two years earlier in *chéri* 1920 in the rapport between the maternal léa a woman of a certain age and the young man *chéri* finally in *gigi* the incest taboo characterises the relations between the young teenager of the eponymous title and her much older uncle figure gaston

this handbook provides a detailed exploration of the rich and diverse theatrical work produced by women in the first two decades of 21st century british theatre the book explores key issues and methodologies relevant to women working in the uk s theatre industry including the legacies of feminism and its role in shaping contemporary work by women the politics of visibility and inclusion in theatrical institutions and collaborative strategies in creating original work it closely examines how women in contemporary british theatre tackle urgent social issues such as environmental risk the representation of marginalized identities and mental and physical wellbeing chapters by both established and early career scholars from a variety of international contexts present new perspectives on significant questions and issues underpinning women s work in 21st century british theatre by engaging with contemporary debates from theatre and performance studies and cultural theory a concluding roundtable with women theatre practitioners addresses key questions pertaining to their work including working conditions the politics of funding and of ageing disability and care with a foreword by the guardian s chief theatre critic arifa akbar and featuring research tools such as introductions to sections a detailed list of sources and an annotated bibliography this is an authoritative study for anyone with a keen research interest in the distinct contribution of women to contemporary british theatre and performance

this work searches shakespeare s history and roman plays to find the raw materials of english national consciousness and identity the messages of shakespeare s history plays are not principally the plots or facts of the dramas but the attitudes and imaginings they elicited in audiences reading shakespeare through the lens of national identity is a study almost as old as the plays themselves and many scholars have found various articulations of nationhood in shakespeare s plays this book argues that shakespeare s histories furnished modern england with a curriculum for constructing a national identity a confidence of language and culture and a powerful new medium through which to communicate and express this negotiated identity highlighting the application of semiotics it studies the playwright s use of symbols metonymy symbolic codes and metaphor by examining what shakespeare and playgoers remembered and forgot as well as the ways ideas were framed this book explores how a national identity was crafted contested and circulated
