the u s military is no longer based on a cold war self sufficient model today s armed forces are a third smaller than they were during the cold war and yet are expected to do as much if not more than they did during those years as a result a transformation is occurring in the way the u s government expects the military to conduct operations with much of that transformation contingent on the use of contractors to deliver support to the armed forces during military campaigns and afterwards contractors and war explains the reasons behind this transformation and evaluates how the private sector will shape and be shaped by future operations the authors are drawn from a range of policy legislative military legal and academic backgrounds they lay out the philosophical arguments supporting the use of contractors in combat and stabilization operations and present a spectrum of arguments that support and criticize emergent private sector roles the book provides fresh policy guidance to those who will research direct and carry out future deployments

this book advocates for a radical change in music teaching and learning methods allowing for a break from the traditional conservatory model still in use in many classrooms the product of twenty years of interdisciplinary work by musicians music teachers and psychologists the book proposes to place the focus of music education on the students themselves and on their mental and physical activity with the aim of helping them to manage their own goals and emotions this alternative is based on a new theoretical framework as well as numerous real concrete examples of how to put it into practice with students of different ages and in different environments this book focuses primarily on teaching instrumental music but its content will be useful for any teacher student musician or researcher interested in improving music education in any environment whether formal or informal in which it takes place chapters 3 4 6 and 18 are available open access under a creative commons attribution 4 0 international license via link [springer.com](https://www.springer.com)
