this fully updated ninth edition of steven and susan zumdahl s chemistry 9e international  
 edition brings together the solid pedagogy easy to use media and interactive exercises  
 that today s instructors need for their general chemistry course rather than focusing on  
 rote memorization chemistry 9e international edition uses a thoughtful approach built on  
 problem solving for the ninth edition the authors have added a new emphasis on critical  
 systematic problem solving new critical thinking questions and new computer based  
 interactive examples to help students learn how to approach and solve chemical  
 problems to learn to think like chemists so that they can apply the process of problem  
 solving to all aspects of their lives students are provided with the tools to become critical  
 thinkers to ask questions to apply rules and develop models and to evaluate the  
 outcome in addition steven and susan zumdahl crafted chemwork an online program  
 included in owl online learning to support their approach much as an instructor would  
 offer support during office hours chemwork is just one of many study aids available with  
 chemistry 9e international edition that supports the hallmarks of the textbook a strong
