jesus prayed for strength in the garden of gethsemane before his 6 trials is a book crafted explicitly for youth groups jesus lovers church leaders bible study groups and families eager for a deeper understanding of our lord jesus christ the author understanding the unique needs of these groups has filled this book with conceptual color illustrations that will resonate with them and has included a study guide for their convenience this book describes the following points after the last supper on passover

Jesus took his disciples to the garden of Gethsemane to pray. Jesus prayed 3 times, "Father, if you are willing, take this cup from me; yet not my will, but yours be done." Jesus requested Peter, John, and James to watch and pray three times. He found them sleeping. Instead, Jesus was so dreading the upcoming torture that he sweated blood. Jesus' love for all humankind past, present, and future exceeded his fear. He agreed to suffer unspeakable torture and pain to make atonement for all people's sins and allow the Roman soldiers to crucify him. Judas Iscariot came with armed soldiers to capture Jesus. He singled him out by giving Jesus a kiss of betrayal. After Jesus' midnight arrest, he endured six trials. Early Friday of 30 AD, 1 AM trial 1 of 6 at the residence of the former high priest Annas. 2 AM trial 2 of 6 at the residence of high priest Caiaphas as predicted. Peter denied Christ 3 times before the cock crowed. 3-4 AM trial 3 of 6 at Sanhedrin Hall. The Jewish elders declared Jesus was guilty and deserving of death out of guilt before hanging himself. Judas tried to return the 30 pieces of silver. The Sanhedrin paid him 6 AM. Pontius Pilate presided over trial 4 of 6. 7 AM King Herod presided over trial 5 of 6. 8 AM Pontius Pilate presided over trial 6 of 6. Pilate ordered his Roman soldiers to scourge Jesus. He allowed them to torture Jesus brutally and shove a crown of thorns into his skull. As a Passover tradition, the people demanded Pilate release the murderer Barabbas and crucify the guiltless Jesus. Pilate washed his hands of this innocent man's blood. The author will donate fifty percent (50%) of all book sales to Covenant House, a charity dedicated to joining the fight to end youth homelessness.

Psychology, Third Edition builds upon the experience and reputations of Phil Zimbardo and Ann Weber with the addition of a new co-author Bob Johnson who has a wealth of teaching experience at the community college level. This briefer, less expensive book presents psychology in a meaningful, manageable format that focuses on the key questions and core concepts of psychology. Introductory psychology covers such a wide range of topics and issues that it becomes difficult for readers to see the forest for the trees. To make key psychological concepts more meaningful, the authors found inspiration in a classic chess study. This study showed that experts did no better than novices at remembering the location of pieces on a chess board when they were placed randomly. Only when the patterns represented actual game situations did they make sense and therefore become more easily memorable for the experts. Clearly, meaningful patterns are easier to remember and understand than random arrangements, and psychology applies this by presenting the field of psychology in meaningful patterns to enhance comprehension. These concepts are then applied to readers' own lives, study skills, and the world around them. Finally, psychology integrates a cross-cultural and multicultural perspective to make psychology meaningful for everyone. For anyone interested in introductory psychology.
