in the following pages i have endeavored to give a simple account of problems which have occupied the attention of the human mind ever since the dawn of civilization and which can never lose their interest until time shall be no more while to most persons these subjects will

have but an historical interest yet even from this point of view they are of more value than the history of empires for they are the intellectual battlefields upon which much of our progress in science has been won to a few however some of them may be of actual practical importance for although the schoolmaster has been abroad for these many years it is an unfortunate fact that the circle squarer and the perpetual motion seeker have not ceased out of the land preface

this book is written with the objective of reasonably addressing the need of muslim gays and lesbians for a life which involves intimacy affection and companionship within the confines of a legal contract contemporary conservative muslim leaders unreasonably promote false marriages with straight spouses failing which they prescribe the solution of permanent celibacy as a test this book delves into an extensive scholarship on the same sources that conservative muslim leaders draw on the qur an hadith and jurisprudence it is argued that the primary sources of muslim knowledge addressed sexual acts between the same gender in the context of inhospitality exploitation coercion and disease but not true same sex unions past muslim scholarship is silent on the issue of sexual orientation and muslim same sex unions the arguments of contemporary conservative muslim leaders are deconstructed and the case for muslim same sex unions is made based on jurisprudential principles and thorough arguments from within the muslim tradition
