this study represents the culmination of almost twenty years of personal research on national police institutions the most concentrated effort was devoted to india japan and the united states the results of which are available in other publications preface

public police forces are a regular phenomenon in most jurisdictions around the world yet

their highly divergent legal context draws surprisingly little attention bringing together a wide range of police experts from all around the world this book provides an overview of traditional and emerging fields of public policing new material and findings are presented with an international comparative perspective it is a must read for students of policing security and law and professionals in related fields

a wonderful resource user friendly and very well written timothy j horohol john jay college a unique approach to studying police forces around the globe how do police forces around the world move toward democratization of their operations and responses analyzing police forces from 12 different countries comparative policing the struggle for democratization assesses the stages of each country based on the author s development of a continuum of democracy scale key features using five basic themes this book uses the following criteria to rank and evaluate where each country falls on the continuum clarifying how policing practices differ history of a democratic form of government level of corruption within governmental organizations and the oversight mechanisms in place scope of and response to civil disobedience organization structures of police departments operational responses to terrorism and organized crime intended audience this unique analysis of policing is an ideal text for undergraduate and graduate courses in comparative criminal justice police studies policing and society and terrorism in departments of criminal justice criminology sociology and government

originally published in 1990 comparative policing issues was the first introductory text to consider key issues in the policing of modern societies from an international comparative perspective the author begins with a discussion of policing itself and considers how the modern police force has emerged separate sections then focus on france and the netherlands as examples of western european societies canada and hong kong as influenced by the colonial tradition japan as an eastern capitalist society and the ussr china and cuba as contrasting examples of communist police systems these and other countries are then considered in terms of the relationship between the police and the communities they serve critical issues addressed include the following are communist and capitalist systems of policing significantly different what lessons are to be learnt from japan with its low crime rate how accountable are the police in different societies and to whom to what extent is the character of the police in any society determined by the wider culture and social and political structure of that society how practicable is it to transfer ideas about policing from one society to another the lowering of barriers within the european

community and the return of hong kong to china are just two examples of the need for a comparative analysis of policing students of criminology and police studies and police and others working in the criminal justice system will find this book an invaluable resource

policing is changing rapidly and radically a growing body of research is concerned with the development of plural policing provided by a range of public private and municipal bodies this book will provide the most up to date work of reference for scholars in this field

this wide ranging text provides an overview of policing across different societies and considers the issues facing the us and british police in a wider international context the book is designed as a coherent introduction to the police

this book argues that policing should be studied in a truly comparative manner as a way of identifying more accurately the diverse features of police organisations and the trends which affect contemporary policing studying policing comparatively is also a way to develop more sophisticated theories on the relations between police state and society aiming at higher degree of generalization in particular broadening the empirical basis often limited to western countries favours the formulation of more encompassing theories the comparative analysis then is used to refine meso or macro theories on various aspects of policing the book covers the challenges of comparative research in diverse areas of policing studies with innovative tools and approaches to allow for the development of that subfield of policing it is a significant new contribution to policing studies and will be a great resource for academics researchers and advanced students of public policy sociology political science and law the chapters in this book were originally published in policing and society

women policing across the globe provides a cross cultural comparison of the integration of women in policing across the globe paying special attention to the unique contributions that women make to the field along with the shared challenges and resistance they face individual chapters within the book provide students with a snapshot of the status of women in modern police agencies in the countries of the united states kuwait china the united kingdom australia the united arab emirates and taiwan however shared issues and successes of women police in many more countries worldwide are discussed throughout the entire book this book allows students to explore the different origins of entry specialized roles their experiences of resistance and effects of historical events that have shaped the experiences of modern women police from across the world the authors discuss the new gains women are making despite the obstacles they face and ways they

are transforming how policing is done every day and finally this book closes with collective issues and successes faced by women police worldwide

this study surveys women's role in policing drawing both on the authors original comparative research and on the questions theories and findings raised by existing literature within a global and historically sensitive framework the book explores such themes as the gender dimension of policing the representation of policewomen the extent to which different national traditions diverge or converge the strategies adopted by policewomen and their colleagues or organisations in order to address the particular problems and challenges that their role raises

offering a fascinating account of the development of women police over the past twenty years this book refers to the author's extended research in india to examine how the indian experience demonstrates a valuable alternative to the anglo american model not only for traditional societies but for women police in the west as well with reference to the establishment in 1992 of all women units in tamil nadu this unique experiment proved highly successful in enhancing the confidence and professionalism of women officers and ensuring the effectiveness and efficiency of the police at a time when policing is being rethought all over the world not only in traditional societies the tamil nadu practice illustrates important lessons for western countries that are finding it increasingly difficult to recruit and retain women officers natarajan's remarkable book is an important and original contribution to the literature on gendered policing which to date has concentrated almost exclusively on the us and british experience

women in policing around the world is a historical legal political and social examination of women in policing the book opens with a comparison of cultural definitions of gender and how this affects women's work in general and policing specifically the book then takes the reader through women in policing in the eastern and western hemispheres featuring several countries within the major regions of the world major commonalities and differences are identified in the areas of recruitment training deployment promotion and violence against women among the key features of this book is a balanced coverage of historical and timely events that led to the current status of women police in their respective countries the book identifies the commonalities that women police experience throughout the world relying on the most current research the book also dedicates coverage of policing violence against women in society as well as within the police

organization itself the author includes tables to allow for national comparisons throughout the book as well as current and historical photos this book is intended for researchers and students of police culture and women in policing it does not rely heavily on one country or region thus allowing for an enlightening international comparison

this is the first book to look at women in policing in the mainland of the people's republic of china informed by empirical data as well as rich secondary information drawn from a wide range of published materials and written by a former police officer in china this book offers a detailed discussion of key issues concerning women in the chinese police mainly drawing on face to face interviews with police officers and student probationers in multiple force areas women police in contemporary china offers rich insights into women's lives in chinese policing the book first discusses how chinese women were introduced to the male only organisation and their representation in the chinese police today it elaborates women's experiences as female officers in the police and more specifically their everyday work contributions to policing women police's own perceptions of their roles and positions in the police profession and the gendered challenges and concerns facing them it also looks at police occupational culture from a gendered lens this book is illuminating reading for all those engaged in policing studies gender and justice policymaking comparative criminal justice and all those interested in a woman's role in the chinese police

this book aims to meet the need for an accessible introductory text on comparative criminal justice examining the ways different countries and jurisdictions deal with the main stages and elements in the criminal justice process from policing through to sentencing examples are taken from all over the world with a particular focus on europe the uk the united states and australasia the main aims of the book are to provide the reader with a comparative perspective on criminal justice and its main components an understanding of the increasing globalization of justice and standards of the administration of justice a knowledge of methodology for comparative research and analysis an understanding of the most important concepts in criminal justice such as inquisitorial and adversarial trial systems policing styles crime control versus due process retribution versus rehabilitation etc discussion of global trends such as the rise of imprisonment penal populism diversion international policing and international tribunals an insight into what the essential ingredients of doing justice might be this fully updated and expanded new edition of comparative criminal justice takes into account the considerable advances in comparative criminal justice research since the first edition in 2004 each chapter has been thoroughly

updated and in addition there is a new chapter on establishing the rate of crime in a comparative context the rate of development in international policing and international development has been such that there is now an individual chapter devoted to each and throughout the book the role of globalization changing both the local and the global in criminal justice arrangements orientations and discourses has now been given the prominence it deserves
