what is happening to pop music and pop culture synthesizers samplers and mdi systems have allowed anyone with basic computing skills to make music exchange is now automatic and weightless with the result that the high street record store is dying myspace twitter and you tube are now more important publicity venues for new bands than the concert tour routine unauthorized consumption in the form of illegal downloading has created a financial crisis in the industry the old postwar industrial planning model of pop which centralized control in the hands of major record corporations and divided the market into neat segments is dissolving in front of our eyes this book offers readers a comprehensive guide to understanding pop music today it provides a clear survey of the field and a description of core concepts the main theoretical

approaches to the analysis of pop are described and critically assessed the book includes a major investigation of the revolutionary changes in the production exchange and consumption of pop music that are currently underway pop music pop culture is an accomplished magnetically interesting guide to understanding pop music today

the history of mtv from 1979 to the 1990s

with a strong emphasis on media convergence throughout this book helps readers develop a system wide view of the interacting social historical economic and technological forces at work in today s rapidly evolving mass media written by two highly regarded scholars and teachers this book goes beyond other textbooks to help readers understand where how and why they fit into the contemporary media environment too often mass communication texts rely only on popular publications or on academic research in this interactive text they have combined the concrete practice of journalism with empirical research enabling students to comprehend the impact of the dynamic media that are an integral part of our lives today folkerts and lacy guide readers through today s whirlwind of mass communication by providing them with the information and critical thinking skills necessary to consider objectively the media and its roles in their lives for anyone interested in gaining knowledge of the media

road rules is one of mtv s most popular shows and mtv books have a phenomenal selling record fans will love following along once more on mtv s newest roadtrip adventures this time through new zealand photos

watched religiously every week by more than 32.1 million young americans ages 12-34 mtv has changed the face of music and television the popular beavis and butt head books and the real real world have all been mainstays on the new york times bestseller list with now what mtv offers a guide to living in the real world

covering everything from getting a job to signing an apartment lease

there have been few brands that have made such a massive impact on the world stage in such a relatively short time frame as mtv it is a household name and virtually all young people regardless of whether they have access to television have heard of it it is a name associated with youth and music and all areas in which the two are involved it has dominated the market space in the category of music television since its inception and looks like it will continue to do so in the foreseeable future this book is not so much a tribute to mtv although it deserves as much but an analysis of how the mtv brand has been built global brands do not just arrive by accident they are carefully and strategically built to match the needs of their target markets they evolve with those target markets as lifestyles wants needs attitudes opinions interests and many other factors come and go in addition global brands successfully manage the differences across countries and cultures mtv has managed to do all of these things with startling consistency another attribute of great brands that stand the test of time what is more intriguing is that it has done all this in one of the most turbulent times ever experienced in consumer markets particularly in asia where change is endemic

a famous painting is going to the grierson gallery in la and they want a top man to come to the united states he can talk about the artist the national gallery in london send mr bean but something is very wrong with mr bean he s very very strange and dangerous after he arrives accidents start to happen
