a survey of the ways in which misinformation campaigns damage race relations and educational integrity in us public schools and universities and a blueprint for how to counteract such efforts

there is almost no political question in the united states wrote alexis de tocqueville that is not resolved sooner or later into a judicial question the u s supreme court is the ultimate arbiter of judicial questions weighing the laws enacted by the people s representatives against the inviolable fundamental law embodied in the u s constitution virtually every vital political and social issue comes before the court abortion affirmative action capital punishment elections and voting gay rights gun control separation of church and state and more this book presents living law the case by case shaping of the law on each of these controversial issues in the justices own words and with informative commentary there is almost no political question in the united states wrote alexis de tocqueville that is not resolved sooner or later into a judicial question the u s supreme court is the ultimate arbiter of judicial questions weighing the laws enacted by the people s representatives against the inviolable fundamental law embodied in the u s constitution virtually every vital political and social issue comes before the court abortion affirmative action capital punishment elections and voting gay rights gun control separation of church and state and more this book presents living law the case by case shaping of the law on each of these controversial issues in the justices own words guide to the court s functions and the ways in which it

goes about its work topically organized sequences of cases through which the law on particular issues evolved including the facts of each case the specific issues before the court the court's decision embodied in the text of the majority opinion an account of all opinions handed down and excerpts from the most influential concurrences and dissents commentary summarizing current federal law on each of the controversial topics covered with notes on the historical background and in some cases the turbulent aftermath of the court's decisions

this comprehensive title is among the first to extensively use newly released 2010 U.S. census data to examine multiculturalism today and tomorrow in America this distinction is important considering the following NPR report by Eyder Peralta based on the first national numbers released by the census bureau the AP reports that minorities account for 90 percent of the total U.S. growth since 2000 due to immigration and higher birth rates for Latinos according to John Logan a Brown University sociologist who has analyzed most of the census figures the futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations both non-Hispanic whites and blacks are getting older as a group these groups are tending to fade out he added another demographer William H. Frey with the Brookings Institution told the Washington Post that this has been a pivotal decade we're pivoting from a white-black dominated American population to one that is multiracial and multicultural multicultural America a multimedia encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today pedagogical elements include an introduction a thematic reader's guide a chronology of multicultural milestones a glossary a resource guide to key books journals and internet sites and an appendix of 2010 U.S. census data finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today's students with 100 videos with transcripts from Getty Images and video vault the Agence France Presse and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title's editors

focusing on the socially explosive concept of race and how it has affected human interactions this work examines the social and scientific definitions of race the

implementation of racialized policies and practices the historical and contemporary manifestations of the use of race in shaping social interactions within u s society and elsewhere and where our notions of race will likely lead more than a decade and a half into the 21st century the term race remains one of the most emotionally charged words in the human language while race can be defined as a local geographic or global human population distinguished as a more or less distinct group by genetically transmitted physical characteristics the concept of race can better be understood as a socially defined construct a system of human classification that carries tremendous weight yet is complex confusing contradictory controversial and imprecise this collection of essays focuses on the socially explosive concept of race and how it has shaped human interactions across civilization the contributed work examines the social and scientific definitions of race the implementation of racialized policies and practices and the historical and contemporary manifestations of the use of race in shaping social interactions primarily in the united states a nation where the concept of race is further convoluted by the nation s extensive history of miscegenation as well as the continuous flow of immigrant groups from countries whose definitions of race ethnicity and culture remain fluid readers will gain insights into subjects such as how we as individuals define ourselves through concepts of race how race affects social privilege color blindness as an obstacle to social change legal perspectives on race racialization of the religious experience and how the media perpetuates racial stereotypes

class culture and race have influenced the educational experiences of children for centuries as a new wave of latin american and asian peoples enters the united states public schools are faced with the challenge of educating children from a culture of poverty and who have varying racial and cultural backgrounds this reference work employs historical anthropological sociological and theoretical perspectives to overview current information on class culture and race in u s schools the volume is organized systematically with broad sections on class culture race and prospects for the future each section begins with an introductory chapter that defines the theme of the section and places it within a larger context the chapters that follow then examine the impact of class culture or race on schooling with special regard to particular groups the volume focuses primarily on hispanics african americans and asians as they struggle to survive and prosper in the united states because of its approach the book is also a guide to the effects of poverty language and race on the educational experiences of children

this book some 20 years after the publication of robert w cox s seminal production power and world order social forces in the making of history offers the reader an analytical and comprehensive overview of his work and illustrates the continuing relevance thereof for contemporary research
