this volume was first published by inter disciplinary press in 2013 in the nineteen essays of

this collection the 21st century citizen is introduced deconstructed probed and admired among the messy realities of the contemporary world as an inter disciplinary project the collection draws on expertise from across europe north america and australasia to offer new insights into such diverse existences as the environmental citizen the young citizen the multiple citizen the non citizen and the global citizen it unflinchingly spotlights the failures of our contemporary societies to resolve the endless universal problems of conflict poverty and oppression it also opens windows of hope onto a range of new understandings and innovative approaches to the challenges we face from the mass movements of refugees to the digitalisation of social contact this material can be read as a whole as a conceptual collection or it can be dipped in to and out of between work and leisure whether it is read as research or pastime this volume will challenge and confront comfort and renew the many ways of thinking about citizenship in the 21st century

remembering the english civil wars is the first collection of essays to explore how the bloody struggle which took place between the supporters of king and parliament during the 1640s was viewed in retrospect the english civil wars were perhaps the most calamitous series of conflicts in the country s recorded history over the past twenty years there has been a surge of interest in the way that the civil wars were remembered by the men women and children who were unfortunate enough to live through them the essays brought together in this book not only provide a clear and accessible introduction to this fast developing field of study but also bring together the voices of a diverse group of scholars who are working at its cutting edge through the investigation of a broad but closely interrelated range of topics including elite popular urban and local memories of the wars as well as the relationships between civil war memory and ceremony material culture and concepts of space and place the essays contained in this volume demonstrate with exceptional vividness and clarity how the people of england and wales continued to be haunted by the ghosts of the mid century conflict throughout the decades which followed the book will be essential reading for all students of the english civil wars stuart britain and the history of memory
