even frustrated grammarians will giggle at the who's on first routine that begins with a donkey's excited announcement i yam a donkey unfortunately the donkey's audience happens to be a yam and one who is particular about sloppy pronunciation and poor grammar an escalating series of misunderstandings leaves the yam furious and the clueless donkey bewildered by the yam's growing and amusing frustration the yam finally gets his point across but regrettably he's made the situation a little bit too clear and the story ends with a dark and outrageously funny twist

when can a cookbook function as autobiography to what extent does documenting collective labor struggles constitute personal narrative as well traditionally autobiography theory has defined the subject as autonomous rather than affiliated representing the project of writing the self as an isolationist activity the narratives i consider in my dissertation a hard labor race class and the affirmation of culture in american women's autobiographies challenge such notions politically engaged they tend to frame consciousness less as contemplative than as involved with social conditions community affiliations and historical circumstances
