the art of portraiture approached its apex during the sixteenth century in europe with the discovery of oil painting when the old masters developed and refined techniques that remain unsurpassed to this day the ascendance of nonrepresentational art in the middle of the twentieth century displaced these venerable skills especially in academic art circles fortunately for aspiring artists today who wish to learn the methods that allowed the old masters to achieve the luminous color and subtle tonalities so characteristic of their work this knowledge has been preserved in hundreds of small traditional painting ateliers that persevered in the old ways in this

country and throughout the world coming out of this dedicated movement portrait painting atelier is an essential resource for an art community still recovering from a time when solid instruction in art technique was unavailable in our schools of particular value here is a demonstration of the old masters technique of layering paint over a toned ground surface a process that builds from the transparent dark areas to the more densely painted lights this method unifies the entire painting creating a beautiful glow that illuminates skin tones and softly blends all the color tones readers will also find valuable instruction in paint mediums from classic oil based to alkyd based the interactive principles of composition and photograph based composition and the anatomy of the human face and the key relationships among its features richly illustrated with the work of preeminent masters such as millet géricault and van gogh as well as some of today s leading portrait artists and featuring seven detailed step by step portrait demonstrations portrait painting atelier is the first book in many years to so comprehensively cover the concepts and techniques of traditional portraiture

the canadian north is still a mystery to most canadians what is it like to live in a constant winter temperature of 40 below zero with barely 2 to 3 hours of daylight what is it like to live in a community that lives off the land where a caribou hunt to provide the winter s meat is a matter of life or death the children are taught life saving proficiency skills in a very direct way by elders and grandparents often the survival skills of hunting and fishing take precedent over learning the three r s kirk accompanied them on hunts learning along with his students kirk writes as he thinks in pictures very visual he paints charming amusing and memorable tales of those who cross his path who can forget the picture of a shaggy cross fox seizing a scrap of muffin racing away to bury it and then coming back for more kirk s own illustrations highlight the book including portraits of his students and studies of everyday life in the north his words and his art capture a northern canada that we may explore with him

at an early age p k page irwin displayed an aptitude for illustration and even her juvenalia indicated a sharp painterly eye but it wasn t until she visited brazil in the 1950s as wife of the canadian ambassador that she began to hone her artistic practice under her married name p k irwin she produced a wide array of paintings drawings and other artworks experimenting with media and styles as she sought to develop her own visual aesthetic and to reconcile her celebrated poetic identity with her more private painterly one in the art of p k irwin michèle rackham hall investigates the artist s creative development and examines the exotic locales and the wealth of accomplished peers who helped shape irwin s artistic output with rich biographical detail and extensive reference to irwin s lyrical life writing the art of p k irwin takes

readers along on the artist's journey toward her own aesthetic one in which place was her most potent muse and exile her most fertile state
