knott observes that thomas jefferson and his followers and later andrew jackson and his

adherents tended to view hamilton and his principles as un american while his policies generated mistrust in the south and the west where he is still seen as the founding plutocrat hamilton was revered in new england and parts of the mid atlantic states hamilton s image as a champion of american nationalism caused his reputation to soar during the civil war at least in the north however in the wake of gilded age excesses progressive and populist political leaders branded hamilton as the patron saint of wall street and his reputation began to disintegrate book jacket

this book is designed to equip and inspire current educators and those considering the profession of teaching as they seek to positively impact student lives for years to come in an age where fewer and fewer educators view teaching as a lifelong profession this book provides practical strategies for not only surviving but thriving as a teacher this book outlines a transformative framework that empowers educators to foster a learning community built upon the strengths of students their parents colleagues community members and ultimately the strengths of the teachers themselves

ever since 1789 americans have engaged in the time honored tradition of judging presidential candidates by their personalities while it may sound unwise to pick the leader of the free world based on personality traits rather than platforms policies and ideology that is exactly what will happen in the 2024 election in this exploration of u s presidential elections personality expert merrick rosenberg and co author richard ellis reveal the pattern behind who takes the white house and why you will discover the unique characteristics of eagles donald trump and franklin d roosevelt parrots bill clinton and ronald reagan doves dwight d eisenhower and jimmy carter and owls george h w bush and richard nixon you will find that almost nothing stops certain personalities from winning elections personality wins shows how america s national personality contest worked before 1932 and how it has changed in the era of radio tv and digital media through unforgettable and often unbelievable stories from the last twenty three elections rosenberg and ellis show how personality shapes the vote and how it will determine the outcome of 2024 merrick has put together an excellent guide to understanding politics and human nature as well which i will be eagerly sharing with my media and politics students jon christopher bua white house correspondent talk media news and adjunct professor the catholic university of america
