a provocative case for integration as the single most radical discomfiting idea in america yet the only enduring solution to the racism that threatens our democracy americans have prided ourselves on how far we've come from slavery lynching and legal segregation measuring ourselves by incremental progress instead of by how far we have to go but fifty years after the last meaningful effort toward civil rights the us remains overwhelmingly segregated and unjust our current solutions diversity representation and desegregation are not enough as acclaimed writer calvin baker argues in this bracing necessary book we first need to envision a society no longer defined by the structures of race in order to create one the only meaningful remedy is integration the full self determination and participation of all african americans and all other

oppressed groups in every facet of national life this is the deepest threat to the racial order and the real goal of civil rights at once a profound masterful reading of us history from the colonial era forward and a trenchant critique of the obstacles in our current political and cultural moment a more perfect reunion is also a call to action as baker reminds us we live in a revolutionary democracy we are one of the best positioned generations in history to finish that revolution
