alan read asserts that there is no split between the practice and theory of theatre but a divide between the written and the unwritten in this revealing book he sets out to retrieve the theatre of spontaneity and tactics which grows out of the experience of everyday life it is a theatre which defines itself in terms of people and places rather than the idealised empty space of avant garde performance read examines the relationship between an ethics of performance a politics of place and a poetics of the urban environment his book is a persuasive demand for a critical theory of theatre which is as mentally supple as theatre is physically versatile

theoretically innovative and empirically wide ranging this book examines the complex relations between technoscience and everyday life it draws on numerous examples including both mundane technologies such as velcro post it notes mobile phones and surveillance cameras and the esoterica of xenotransplantation new genetics nanotechnology and posthuman society technoscience and everyday life traces the multiple ways in which technoscience features in and affects the dynamics of everyday life and explores how the everyday influences the course of technoscience in the process it takes account of a range of core social scientific themes body identity citizenship society space and time it combines critique and microsocial analysis to develop several novel conceptual tools and addresses key contemporary theoretical debates on posthumanism social material divides process philosophy and complexity temporality and spatiality the book is a major contribution to the sociology of everyday life science and technology studies and social theory

henri lefebvre boredom and everyday life culls together the scattered fragments of henri lefebvre s 1901 1991 unrealized sociology of boredom in assembling these fragments sprinkled through lefebvre s vast oeuvre patrick gamsby constructs the core elements of

lefebvre's latent theory of boredom themes of time modernity everyday space urban suburban and mass culture culture industry industry culture are explored throughout the book unveiling a concealed dialectical movement at work with the experience of boredom in analyzing the dialectic of boredom gamsby argues that lefebvre's project of a critique of everyday life is key for making sense of the linkages between boredom and everyday life in the modern world

what does it mean to talk about everyday racism and why should we do so racism and everyday life brings together the sociologies of racism and everyday life in a new way in order to reflect on these questions smith argues that racism and everyday life are not just act and context respectively but rather they are part of the making of each other using a variety of historical and contemporary examples this book draws on the pioneering insights of w e b du bois and other writers in order to explore the interwoven relationship between racism and the everyday

fusing audience research and ethnography the book presents a compelling account of women's changing lives and identities in relation to the impact of the most popular media culture in everyday life television within the historically specific social conditions of korean modernity youna kim analyzes how korean women of varying age and class group cope with the new environment of changing economical structure and social relations the book argues that television is an important resource for women stimulating them to research their own lives and identities youna kim reveals korean women as creative energetic and critical audiences in their responses to evolving modernity and the impact of the west based on original empirical research the book explores the hopes aspirations frustrations and dilemmas of korean women as they try to cope with life beyond traditional grounds going beyond the traditional anglo american view of media and culture this text will appeal to students and scholars of both korean area studies and media and communications studies
