the holy spirit inspired this praise and worship songbook through the members of shiloh vessels the scope was to select a wide range of praise and worship songs and bring them into one place making song selection easier previously the song selection process was a task for the praise and worship leaders especially for new and upcoming leaders for example when we practiced there were times when songs did not flow together due to the difference in song beat and structure instrumentalists would wait for the readjustment of the songs before practice resumed it was evident during the preparation stage that there needed to be more readily available songs or lyrics to select when songs were made available they were disorganized and not easily accessible it took much effort to bring songs together sequentially this prompted the leadership to work towards compiling an easy to use songs book as an asset to help the current members and future newcomers to the choir praise and worship songs were sourced along with their lyrics and links to the song s performance we then arranged each song into a sequence by rhythm beat genre and song version this praise and worship songbook will eradicate wrong song choices it will enhance the communication between song ministers and instrumentalists we believe this songbook will bless the body of christ as we sing praises to our father together
