in the twelve gates clinical anthropologist john rush embarks on a spellbinding journey through death rituals in various cultures centering on the ancient egyptian philosophy of death and resurrection the first part of the book provides an overview of different rituals encouraging readers to confront their feelings about death and to reevaluate their lives the author details his own experiences preparing for death including

a painful tattooing process inspired by the ancient egyptian books of the netherworld he then guides readers through the twelve gates of the underworld symbolic ritual stages during which they can figuratively experience death and rebirth a set of full color tarot cards designed by the author is included as an aid in passing through each of the gates these ancient rituals performed by pharaohs and priests for thousands of years help ease the way toward a peaceful conscious death

a new york times editors choice nobody who comes away from reading the bill gates problem will look at him in the same way the times you know him as the founder of microsoft the philanthropic kind hearted billionaire who has donated endless funds to good causes around the world but there s another side to bill gates in this fearless groundbreaking investigation tim schwab offers readers a counter narrative one where gates has used his monopolistic approach in business to amass a stunning level of control over public policy scientific research and the news media whether he is pushing new educational standards in america health reforms in india or industrialized agriculture in africa gates s unbridled social experimentation has shown itself to be not only undemocratic but also ineffective all of which begs the question why should the super rich be able to transform their wealth into political power and just how far can they go an extraordinary and detailed work of investigative journalism the telegraph
