nigeria nation is like footprints you saw on a beach in the morning so new that you don t really know who and who came to the beach last night but as the day brightens and the sun rises from the eastern horizon the sun will shine on the hidden facts and what is hidden becomes known sometimes whatever we have read sinks into our memory and are foreshortened some also find it hard to accept when the real truth has surfaced it may later be evoked again and set against a different background with the result that the person who was a victim of well crafted propaganda will eventually know the truth still the toughest job is to bring him out of his old mental state when he was bombarded with the false information one thing is certain this book is comprehensive and lucid information of how cain murdered his brothers in cold blood we know that general cain who murdered his brothers is not himself mentally today he was so involved in every military coup in nigeria he brought a lot of curses and curses on his children and generation to come blood symbolizing life and is the element of god and human is a mortal clone of god there is a high penalty in the shedding of human blood he who spills the human blood by human will his blood be spilled for in the image of god he made the human gen 9 6 general cain do you know that the voice of your fellow soldier s blood is crying out to me from the land don t try to tell me am i my brother s keeper there will be retributive justice if not you your children or family members will pay for it

in this second edition of who s who in black canada dawn williams updates her tome of black achievements and success in canada with over 730 entries province by province this indispensable educational and networking tool puts the spotlight on the impressive range of achievements of blacks in canada from business leaders to musicians to engineers artists doctors judges and filmmakers filled with information and inspiration who s who in black canada 2 is an excellent resource for schools libraries professionals and those working with youth

profiling individuals from business politics the arts religion and other sectors this work contains biographical information on

some 705 living african canadians who are either pioneers or trailblazers those occupying senior positions those making a difference in their communities those being innovative and creating a niche for themselves or others entries provide narrative summaries of the individuals accomplishments as well as contact information and lists of honors publications and role models annotation c 2003 book news inc portland or booknews com

this book addresses the injustices associated with renewable energy development and use within the context of the energy transition primarily informed by a communitarian approach to energy justice the book draws on the philosophical concept of african communitarianism as a guiding principle this concept emphasises harmonious or communal relationships among members of a political and social community making it easier to justify solutions to renewable energy injustices in contrast to an individualistic approach the book argues that international law can facilitate this approach to energy justice by adapting existing norms standards practices and institutions adopting the unfair distribution of renewable energy benefits in the international community as a test case the book contributes to existing energy justice scholarship by highlighting the significant contribution of non western philosophies in addressing renewable energy injustices it also repositions international law as a tool for operationalising this approach to energy justice the book will be of interest to researchers policymakers international governmental organisations and civil society

this book comes first of all as the answer to the yearning for more written literature on the identity of the igbo people of the southeast of nigeria the early chapters deal with their geographical and historical identity then it holds a searchlight on the igbo worldview their sociocultural values and traditions their religious conceptsthe nature and character of the supreme being their family agnates relationships and the structure and elements of social control dynamics which are unknown to the western world the showcase also discusses some very powerful elements and traditions that give the igbo their peculiar identity the kola nut tradition igbo name and food culture this book is also a road map of the igbo experience in the context of nigerian histopolitical developments from 1914 to 1976 the crises the pogrom and the biafran phenomenon and the ikemba saga other hallmarks of this book include the profile of great personages igbo greatest heroes past and present the icons of igbo identity on both national and international scenes and finally it concludes with the roll call an amazing catalog of more than four thousand igbo traditional names
