varieties of personal theology starts from the premise that all human beings are folk theologians active not only in constructing selves but also in constructing worlds and guiding philosophies of life through fascinating indepth interviews and surveys david gortner looks specifically at emerging adults aged 18-25 as young theologians who regardless of religious background wrestle with fundamental questions of place purpose ultimate cause and ultimate aims in life this book charts the subtle and significant influences of social class family school work peer relationships religion and intrinsic attitudes and dispositions on young adults personal theologies and traces the ways their personal theologies connect with choices they make in their daily lives in education jobs leisure and relationships intentionally crossing boundaries between religious and social science fields gortner combines perspectives from both to demonstrate how theological diversity persists in america despite some clear culturally dominant trends this book reveals how american young adults are active theologians forging diverse ways of seeing and being in the world shaped by their experiences and in turn continuing to shape their choices in life

for millennia great thinkers have contemplated the meaning and purpose of human existence but while most assumed that humanity was the end point of creation or the pinnacle of evolution ted chu makes the provocative claim that the human race may in fact be a means rather than an end that humankind will give rise to evolutionary successors in this wide ranging and authoritative work chu reexamines the question of human purpose in light of the extraordinary developments of science and technology arguing that a deep understanding of our place in the universe is required to navigate the magnitude of the choices that lie ahead he surveys human wisdom from both east

and west traces the evolutionary trajectory that has led to this point and explores the potentials emerging on the scientific frontier the book addresses the legitimate fears and concerns of playing god but embraces the possibility of transcending biological forms and becoming or creating entirely new life forms

let not your true purpose be defined by the organization the system or that you be defined by it understand the policies and laws that dictate what you should say or do within the boundaries of the system excel in the practices of your field defining what and how you perform your art and how you shall be known seek out people of quality who provide guidance and truly care about your success yield to prayer maintaining your faith in good and bad times even when things don t make sense knowing your goal is to make a difference professional educators are now living in an era where there is increased concern about the quality of education in public schools in america states are beginning to take a greater role in monitoring and maintaining higher academic standards communities across the country are scrutinizing the expense of public education local school districts are expressing concern about the district s ability to continue providing high quality teaching and other related services with diminishing resources parents everywhere regardless of ethnicity socioeconomic status or cultural family background want the assurance that their child will receive adequate and appropriate academic preparation that will lead to a productive livelihood for their child s future the intended result of this book is to serve as a guide and inspiration to educators whether they serve in the capacity of a teacher paraprofessional or administrator as they continue their journey in the field of public education especially during these most challenging times america needs every person involved in the education of youth to remain steadfast each educator makes a difference in the lives of youth america s youth need and are counting on you
