international banking operations and practices current developments  
is based on a conference which was held in taipei on 22 24 june 1992  
it represents a tightly coordinated and edited collection of  
scholarly and highly practical chapters prepared by leading experts  
on banking law important changes are taking place in the financial  
sectors in the pacific rim vital roles are being played by tokyo hong  
kong singapore and taipei this volume deals with the relevant legal  
questions regarding the changing international financial practices  
and is divided into two parts part i deals with foreign banks in  
international banking operations and part ii covers international  
banking and private law this collection which was designed as a broad

foundation for comparative analysis of changes and reforms occurring worldwide in international banking regulation and practice will be an invaluable aid to all domestic and international government officials executives of banking and other financial institutions professionals attorneys accountants and other advisers representing such institutions and academics in trying to understand both policies and practicalities reflected by these rapid changes and reforms a separate but related companion volume on international banking regulation and supervision has also been produced entitled international banking regulation and supervision change and transformation in the 1990s which deals with the broad policy issues entailed in the liberalization and deregulation of the banking industry

a journal devoted to banking law and practice for bankers and bank attorneys includes articles notes on court cases and summaries of legislation

this volume covers the development of bank supervisory standards for an emerging chinese economic circle cec in which the people s republic of china prc taiwan and hong kong form an informal interdependent relationship through their significant increasing inter investment and inter trade activities the prc taiwan and hong kong are liberalising the regulation of their respective banking industries and are developing shanghai taipei and hong kong into major financial centres to do this successfully requires the integration of prudential supervision based on banking standards from the uk united states eu and basle committee into chinese banking law and practice bankers banking lawyers investors and compliance officials will appreciate the way development of banking law in the people s republic of china and the republic of china on taiwan expertly brings together in a single volume the supervisory standards of prc taiwan and hong kong and offers unique thoughtful solutions

this book looks at the increased world wide competition in multinational banking which is largely attributable to technological improvements deregulation the emergence of off shore banking and new financial services the increased competition has affected both employers and employees
