the world today has become one large village muslims and non muslims live side by side and have to learn about one another share commonalities and respect differences at this

time more than one and a half billion muslims live in this village some of them are pious muslims trying to live in accordance with islamic rules whereas others do not while believing that these rules come from god the qur an from interpretations of his messenger the sunnah or the consensus of muslim jurists *ijmâ* and are at least rules derived via analogy *qiyâs* from the main sources of islam most muslims think along these lines and agree with the above the reader should remember that muslim individuals should live according to islamic rules in private but no individual is responsible for implementing islamic law in any event the need to learn the facts about islamic law is necessary for muslims as well as for non muslims if they live in the same society with muslims at least in the sense of general information in any event the need to learn the facts about islamic law is necessary for muslims as well as for non muslims if they live in the same society with muslims at least in the sense of general information we should keep in mind here that only sovereign muslim states governments have the legal authority to implement islamic law an individual muslim has no legal authority or power to implement islamic law the law of islam certainly does not say that every muslim is obliged to implement islamic law it matters not how efficient and popular that individual may be as a brave warrior or a meticulous planner of unlawful and immoral schemes of hatred terror and destruction only people who are properly qualified and trained and hold a license from muslim governmental authorities have the authority to issue *fatwâs* not every muslim individual qualifies as a *muftî* a jurist consult or scholar of law who has been given a license to issue *fatwâs* for this reason bediuzzaman says and we know that the fundamental aims of the qur an and its essential elements are fourfold divine unity *al tawhîd* prophethood *al nubuwwah* the resurrection of the dead *al hashr* and justice *al 'adalah* *al adâlah* means law he adds in another treatise let our *ulul amr* satesmen and political authorities think over implementing these rules this book is divided into eight chapters chapter i because of the many misunderstandings that arise some terms related to islamic law such as *sharî ah fiqh* *qânûn* *urf* islamic law and muhammadan law are explained chapter ii here in this chapter dedicated to references on islamic law the real added value of this book is found chapter iii this chapter looks at four periods of islamic law the period of the prophet muhammad the period of the companions the period of the *tabi'în* and an introduction to the period of *mujtahidîn* chapter iv we will provide detailed information here on the different law schools and theological divisions chapter v this chapter will be devoted to a period of islamic law that has been neglected in both old and new books and articles i e the period of islamic law after the turks converted to islam 960 1926 chapter vi this chapter will focus also on three main subjects anglo muhammadan law indo muslim law *syariah* or islamic law in southeast asia and islamic law in contemporary muslim states like egypt pakistan morocco indonesia and jordan chapter vii we will explain the system and methodology of islamic law in this chapter chapter viii we will give some brief information here on the implementation of islamic law its future some encyclopedical works on islamic law and new institutions of islamic fiqh

the classic introduction to islamic law tracing its development from its origins through the medieval period to its place in modern islam

islamic jurisprudence or *usul al fiqh* provides the foundation for any meaningful study of islamic law the present book has been in the field for more than a decade and has

received a positive response from many quarters it is used as a textbook in a number of university courses over the years however students have shown an eagerness to know more they have raised many questions whose answers the book did not provide a catalogue of the questions asked and those not asked gave rise to the need to revise the book the present third edition of the book has therefore been revised and three chapters at the end have been completely rewritten

outlines of islamic jurisprudence covers a number of topics of usul al fiqh sometimes in abridged form that have been covered in the title on the subject of islamic jurisprudence by the same author the significance of this book can only be understood through a comparison with that book islamic jurisprudence focuses on the discipline of usul al fiqh and deals with it in an exhaustive way it thus covers the different aspects of interpretation and theories of islamic law the present book includes some of the topics covered in that book the bulk of outlines of islamic jurisprudence however summarizes the entire law of islam presenting it in a concise yet effective way property contracts evidence procedure constitutional matters and issues of muslim personal law family law are dealt with efficiently the last part of the book also includes information on the schools of law and their history due to the treatment of the entire islamic law in a comprehensive way the book is like a short encyclopedia the book was first published in 1998 and is now in its sixth edition it is very popular among law students lawyers and even the general readers minor improvements to the book have been made over the years and it is constantly updated parts of the book dealing with property and contracts are taught independently as a one semester course on contracts in particular for islamic banking the section on the history of the schools serves as a brief introduction to the law of islam

this volume provides a comprehensive survey of the contemporary study of islamic law and a critical analysis of its deficiencies written by outstanding senior and emerging scholars in their fields it offers an innovative historiographical examination of the field of islamic law and an ideal introduction to key personalities and concepts while capturing the state of contemporary islamic legal studies by chronicling how far the field has come the handbook also explains why certain debates recur and indicates fundamental gaps in our knowledge each chapter presents bold new avenues for research and will help readers appreciate the contested nature of key concepts and topics in islamic law this handbook will be a major reference work for scholars and students of islam and islamic law for years to come

this volume introduces six texts of islamic jurisprudence authored by six jurists representing all four sunni schools of islamic law two Ḥanafī two shāfi‘ī one malikī and one Ḥanbalī who lived in areas as far apart as uzbekistan iraq syria gaza palestine egypt and algeria between the tenth and sixteenth centuries ce my reading of these texts attempts to articulate an underlying structural interrelationship between theoretical and practical legal reasoning in the islamic juristic tradition this volume provides an anatomy of islamic legal reasoning centered on the basic concepts of human agency responsibility rights legal hermeneutics extra textual sources of the law and basic inquiries such as the jurisdiction of law in islam and the relationship between law and government and between law and theology

this book offers a detailed presentation of the theory of muslim law usul al fiqh often regarded as the most sophisticated of the traditional islamic disciplines muslim jurisprudence is concerned with the way in which the rituals and laws of religion are derived from the qur an and the sunna the precedent of the prophet revelation which is given to man to restore unity and help him achieve a just and devout order in society as well as in the soul must be interpreted so as to render it practicable in every culture while not betraying its spirit and immutable provisions to achieve this additional sources of legal authority are recognized including consensus ijma analogical deduction qiyas public interest maslaha and local customary precedent urf in employing these the jurist guards the five principles which it is the purpose of islamic law to uphold namely the right to life sound mind property lineage and religion

the classic introduction to islamic law tracing its development from its origins through the medieval period to its place in modern islam

very short introductions brilliant sharp inspiring islamic law is one of the major legal systems in the world today yet it is often misunderstood particularly in the west it is applicable in different forms as part of state law in countries across the middle east asia and africa and also has a strong influence on muslim communities throughout the western world this very short introduction provides an authoritative perspective on the evolution and nature of islamic law mashhood a baderin considers its theory covering the history and nature of islamic jurisprudence its scope covering family law inheritance law financial law penal law and international law and finally its practice he takes into account both classical and modern scholarly perspectives in examining the various facets of islamic law to provide an overview of this key legal system about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

the fourteen studies included in this volume have been chosen to serve several purposes simultaneously at a basic level they aim to provide a general if not wholly systematic coverage of the emergence and evolution of law during the first three and a half centuries of islam on another level they reflect the different and at times widely divergent scholarly approaches to this subject matter these two levels combined will offer a useful account of the rise of islamic law not only for students in this field but also for islamists who are not specialists in matters of law comparative legal historians and others at the same time however and as the introduction to the work argues this collection of distinguished contributions illustrates both the achievements and the shortcomings of paradigmatic scholarship on the formative period of islamic law

outlines of islamic jurisprudence covers a number of topics of usul al fiqh sometimes in abridged form that have been covered in the title on the subject of islamic jurisprudence by the same author the significance of this book can only be understood through a comparison with that book islamic jurisprudence focuses on the discipline of usul al fiqh and deals

with it in an exhaustive way it thus covers the different aspects of interpretation and theories of islamic law the present book includes some of the topics covered in that book the bulk of outlines of islamic jurisprudence however summarizes the entire law of islam presenting it in a concise yet effective way due to the treatment of the entire islamic law in a comprehensive way the book is like a short encyclopedia the book was first published in 1998 and is now in its sixth edition it is very popular among law students lawyers and even the general readers

the idea of maslaha has a rich history in classical legal thought and literature conventionally translated into english as general benefit or general interest it has been the subject over many centuries of intense argument in muslim legal manuals about how the concept should be constructed and how it might be interpreted some celebrated scholars have even elevated its status to an independent legal source while other prominent jurists have spoken of the special strictures which need to be applied to maslaha when considering it within the overall framework of islamic law in this thorough and original treatment of the concept abdul aziz bin sattam offers the first sustained examination of one of the most important tenets of sharia seeking to illuminate not only the intricacies of its application but also the wider history which has shaped it the author examines its foundations theoretical underpinnings and the key debates in both classical and contemporary texts his book will be a vital resource for all those with an interest in islamic law whether of the medieval or modern periods

this is an english translation of one of the most famous texts by the influential and charismatic islamic activist as sadr who was executed by saddam hussein in iraq in 1980 as sadr s books have made him one of the most celebrated arab muslim intellectuals of modern times this text is used throughout the sunni and shi a world by students of islamic jurisprudence because of its succinctness and intellectual vigour mottahedeh s translation is accompanied by a detailed introduction which explains and places in context as sadr s views representing an attempt to relate a large body of islamic law to scripture this translation should be of great interest to students of scripture hermeneutics and law

usul al fiqh is a science which is deeply embedded in the islamic experience and one which thanks to its methods and concerns helped generate an empirical trend in muslim culture in turn benefiting western thinking itself a creation of influences from within and without al usul often called the philosophy of islam invites both reason and revelation to work for the harmony and well being of human society although the science of al usul is mainly concerned with legal matters its range and the arsenal of tools it uses makes it attractive to students of islamic jurisprudence as well as to other scholars of islamic knowledge and culture the difficulties it poses are inevitable this book however attempts to simplify this most important method of research ever devised by islamic thought during its most creative period and bring it to the understanding and appreciation of the modern learner while underscoring its importance and relevance to the world of islam today
