the thirteen contributions gathered in this volume explore how morphological syntactic and pragmatic criteria among others determine the configuration of lexical units such as periphrases collocations phraseologisms or discourse markers they also tackle the role of semantic and pragmatic aspects in the selection of mood auxiliary chains or in the configuration of routine formulas

el presente tomo de cuadernos el 2017 el teatro como atajo pedagógico recoge ocho artículos frutos de investigaciones en el ámbito de la enseñanza de e le que en general además de exponer sus temas desde un punto de vista eminentemente teórico también proveen al lector de una serie de ideas prácticas que se pueden llevar directamente al aula los trabajos son obras de profesionales que representan el mundo de ele en varios lugares del planeta además de las aportaciones de representantes de la universidad eötvös loránd de budapest tenemos contribuciones desde la universidad de buenos aires argentina de la universidad de belgrado y tres universidades de españa la universidad de alcalá la universidad nacional de educación a distancia y la universidad de valencia

this volume contributes to the research in two different research areas lexical availability studies and vocabulary research in second or foreign languages lexical availability is defined as the words that immediately come to mind as a response to a stimulus provided by topics related to domains closely connected to daily life for instance animals food and drink daily activities politics or poverty lexical availability is a dimension of learners receptive and productive lexical competence and consequently an important variable of learners communicative competence written by leading researchers in spanish and english applied linguistics the studies presented in this volume offer the reader findings and insights from studies conducted in learners with different mother tongues who learn english or spanish as their second or third language this book made me aware of an approach to vocabulary acquisition which has a long tradition in european research but has been somewhat neglected by english speaking researchers the methodology was pioneered in france where it developed into the francais fondamental project an influential approach to the vocabulary needs of learners of french it was also taken up by spanish researchers and more recently developed by the team at la rioja university where english language research has focused on the frequency of words in large corpora and the implications of this feature for l2 vocabulary acquisition the lexical availability tradition takes a much more learner centred approach to l2 vocabulary skills directly reflecting learners needs and learners ability to do things with small effective vocabularies this leads to a set of research priorities that look refreshingly different from the ones we are used to read this book it might change the way you think about vocabulary research paul meara swansea university wales uk

el libro de ejercicios puede utilizarse como complemento del libro del alumno o también como material de autoaprendizaje de forma independiente ya que se incluyen en él las soluciones de los ejercicios y un completo apéndice gramatical que ayudará al estudiante a resolver sus dudas y a ampliar su competencia lingüística finalmente el alumno encontrará un glosario de términos que le facilitará la comprensión de los textos y actividades del libro del alumno
