a new york times book review notable book from noted feminist and longtime columnist for the nation award winning author katha pollitt's *pro reclaiming abortion rights* presents a powerful argument for abortion as a moral right and social good as the supreme court is set to overturn the landmark decision that legalized abortion nationwide this urgent controversial book reframes abortion as a common part of a woman's reproductive life one that should be accepted as a moral right with positive social implications nearly fifty years after the roe v wade ruling abortion is still a word that is said with outright hostility by many despite the fact that one in three american women will have terminated at least one pregnancy by menopause even those who support a woman's right to an abortion often qualify their support by saying abortion is a bad thing an agonizing decision making the medical procedure so remote and radioactive that it takes it out of the world of the everyday turning an act that is normal and necessary into something shameful and secretive meanwhile the rights once upheld by the supreme court are threatened to be repudiated and systematically eroded by state laws designed to end abortion outright *pro* reaffirms the priority of a woman's life and health and discusses why terminating a pregnancy can be a force for good for women families and society it is time pollitt argues that we reclaim the lives and the rights of women and mothers a refreshing and comprehensive look at abortion rights *pro* is a passionate plea and a book that is needed now more than ever salon ultimately pollitt is arguing not just for reproductive rights but for reproductive justice which places the right to mother or not within the global context of human rights and social and economic justice inextricable from the fight for universal health insurance immigration reform and a host of social challenges the chicago tribune

this revised and updated edition of the 2016 bestselling work sets out the moral arguments for a woman's right to decide the future of her pregnancy drawing on traditions of philosophical and sociological thinking it presents the case for

recognizing autonomy in personal private decision making about reproductive intentions further it argues that to prevent a woman making this decision according to her own values is to undermine the essence of her humanity the author explores how true respect for human life and regard for individual conscience demands that we support a woman's right to decide and that support for her right to terminate her pregnancy has moral foundations and ethical integrity this second edition features a foreword by us abortion provider and reproductive justice advocate dr willie parker as well as additional chapters that consider the rights of doctors and nurses to withdraw from abortion provision on grounds of conscience furedi also surveys the rapidly changing landscape of the abortion debate including the rights of women in the aftermath of trump's presidency debates politics and religion in northern ireland and the republic of ireland and the differing levels of provision across europe

missed opportunities rethinking catholic tradition opens up a dialogue between the official teachings of the roman catholic church and the challenges the contemporary world presents to that institutions tradition of moral doctrines it grounds this dialogue on a re examination of the foundational issues of church reform and the many ways that the church teaches then missed opportunities turns its attention to a sequence of complex issues resting his analysis upon research and a half century's experience with the educational programs of the roman catholic church gabriel moran a retired professor of educational philosophy sets the groundwork and then examines a variety of connected issues including birth and death abortion the natural world suffering and pain nonviolence grief and mourning issues of human sexuality responsibility environmentalism and religious education missed opportunities rethinking catholic tradition guides readers through the depths of the societal challenges facing the roman catholic church by looking carefully at the nature of catholic tradition and reconsidering how to bring that tradition into conversation with contemporary issues

missed opportunities proposes a pathway for the church to follow to undergo an honest and thorough reform to regain its credibility in the midst of a society grown dubious and to speak to today's issues in a voice consonant with the best resources in the catholic tradition

this volume presents the best scholarship from the 19th national communication association american forensic association conference on argumentation which took place july 30 august 2 2015 at cliff lodge snowbird resort in alta utah the alta conference first held in 1979 is the oldest conference in argumentation studies in the world and biennially brings together a lively group of scholars representing a variety of countries with diverse perspectives on the theory and practice of argument the essays in recovering argument invite reflection upon and reconsideration of argumentation's legacy present status and potential roles in social cultural and political life readers will encounter essays that treat the relationship between argumentation and memory historical approaches to argumentation the vitality of public and interpersonal argument argument's role in leadership discursive and presentational forms of argument and the challenges of difference readers also will find these topics addressed from a variety of historical social scientific and critical interpretive perspectives

this book re framed my entire adolescence i highly recommend you read it ling ma from the critically acclaimed author of dead girls stylish and inspired new york times book review a sharp engrossing collection of essays that explore the strange career of popular feminism and steady creep of cults and cult think into our daily lives in seven stunning original essays alice bolin turns her gaze to the myriad ways femininity is remixed and reconstructed by the pop culture of the computer age the unlikely often insidious forces that drive our popular obsessions are brilliantly cataloged contextualized

and questioned in a kaleidoscopic style imitating the internet itself in the enumerated woman bolin investigates how digital diet tracking apps have increasingly transformed our relationships to our bodies animal crossing s soothing retail therapy is analyzed in real time a surprisingly powerful portrait of late capitalism and in the showstopping foundering bolin dissects our buy in and complicity with mythmaking around iconic founders from the hubristic fall of silicon valley titans to enron hamilton and the usa for readers of trick mirror and how to do nothing culture creep is a swirl of nostalgia and visions of the future questioning why in the face of seismic cultural political and technological shifts as disruptive as the internet we cling to the icons and ideals of the past written with her signature blend of the personal and sharply analytical each of these keen eyed essays ask us to reckon with our own participation in all manner of popular cults of being and cults of believing
