although there are many books in english on the city and state of lucca this is the first scholarly study to cover the history of the entire region from classical antiquity to the end of the fifteenth century at one level it is an archive based study of a highly distinctive political community at another it is designed as a contribution to current discussions on power structures the history of the state and the differences between city states and the new territorial states that were emerging in italy by the fourteenth century there is a rare consensus among historians on the characteristic features of the italian city state essentially the centralization of economic political and juridical power on a single city and in a single ruling class thus defined lucca retained the image of an old fashioned old style city republic right through until the loss of political independence in 1799 no consensus exists with regard to the defining qualities of the renaissance state was it centralized or decentralized intrusive or non interventionist the new regional states were all these things and the comparison with lucca is complicated and nuanced as a result lucca ruled over a relatively large city territory in part a legacy from classical antiquity lucca was distinctive in the pervasive power exercised over its territory largely a legacy of the region's political history in the early and central middle ages in consequence the lucchese state showed a marked continuity in its political organization and precociousness in its administrative structures the qualifications relate to practicalities and resources the coercive powers and bureaucratic aspirations of any medieval state were distinctly limited whilst lucca's capacity for independent action was increasingly circumscribed by the proximity and territorial enclaves of more powerful and predatory neighbours

archeologia medievale pubblica contributi originali riguardanti l'archeologia postclassica la storia della cultura materiale in età pre industriale e le scienze applicate nella forma di saggi e studi originali relazioni preliminari di scavo contributi critici su libri articoli ritrovamenti ecc vengono pubblicati sia testi in italiano che in altre lingue
