this book focuses on effective communication and is designed to help the reader achieve greater fluency in english adopting a practical approach it makes the important distinction between what is essential core for intelligibility and what is relatively unimportant peripheral

in the world we are living in english has become the common language that people from different countries and cultures can use to communicate with one another there are many reasons why people would want to learn english but for a lot of them it is work related most large companies around the world require their employees to speak english in some cases these companies are requiring their workers to only use english at the workplace english has also been referred to as the language of business if you have ambitions to become an international businessman or to work at some bigger companies it s almost essential that you re able to speak english fluently

from the intermediate level to the advanced level from my years of teaching i am confident to say that it is easy for an english learner to go from a beginner english level to an intermediate english level however it takes more time to go from an intermediate level to an advanced english level a lot of students have studied english for years but still aren t able to speak english on an advanced level they have tried many methods attending classes learning how to pronounce every single word and even getting a private english tutor to improve their spoken english yet they still have a hard time pronouncing english words correctly or feeling too nervous to speak the best proven way to learn and speak english in this book christopher hill the international esl professor with 20 years of experience will show you powerful unique ways to rapidly improve your spoken english with topics you already have interest in you will find out how easy and effortless to learn and speak fluent english this effective method is simple yet powerful you will be able to learn and improve your spoken english 3 to 5 times faster compared to the traditional way of learning inside this black book you will discover the 3 golden rules of speaking fluent english the power of immersion the process of shadowing how intensive listening works the best accent reduction techniques bonus guide the secret method to become super fluent in 21 days how do you know this book is for me this book is for busy intermediate students who wish to get to the advanced english level if you can understand 60 80 of an english speaking movie and understand what you are reading so far you have found the right book stop using ineffective ways to learn and speak english when you are using proper methods to learn you will find that improving english is effortless learn and adopt these proven techniques tips and many more secrets revealed in this black book don t learn using the old fashioned way get a copy of the black book of speaking fluent english and start speaking fluent english

first published in 1990 routledge is an imprint of taylor francis an informa company

warning do not read this book if you want to learn english speaking through tenses or translation if you don t speak english at all you can make a super start with this book if you dread tricky grammar rules you can learn it here in a practical way if you want to go to level next in english this is the book for you after training thousands of students in english communication over last 15 years the master communication trainer social media influencer vinit Kapoor brings out the best from his collection of tricky daily use conversational sentences in this must read book many of these sentences were asked by the learners while taking live training which makes the content highly relatable after bidding adieu to his plush corporate job author started finding a solution to a ubiquitous problem of poor communication skills among the majority of college pass outs professionals housewives businessmen he could relate to it well because he had faced the same challenges during his college days through this book he aims at providing a practical solution to the problem of poor english

communication inside the book you will find all the tools that will set you on the path to being a fluent english speaker this book contains more than 500 daily use sentences each followed by a grammar concept related phrase or sentence or some interesting fact about the english language overall it will make you fall in love with english start your journey of english speaking with this masterpiece

study speaking is for intermediate level and above students who need to speak english in connection with their academic work it is intended primarily for use on language programmes preparing learners of english for study at university or college the course is designed to improve students speaking skills by activating and extending their linguistic competence increasing their confidence in using spoken english developing their ability to analyse and evaluate spoken performance sharpening their strategic competence in face to face interaction publisher

in today s competitive world spoken english is considered as a passport for success in life the craze for learning spoken english has led to the growth of coaching institutes all over the country much as they may profess and advertise it is not really possible to learn any language in 30 days a person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in english the prime objective of this book is to encourage students to learn english as a tool of communication and to enable them to understand the language thoroughly the book basically takes off from the learner s point of view and guides them through cooperative learning methods in order to help master the effective communication skills in english the book has been divided into four convenient units of grammar pronunciation conversation and vocabulary each chapter covers one main area of learning english explained with examples carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject in short the book follows the modern functional approach to the study of english so readers it is definitely a one stop solution for speaking english v publishers

a brief compendium on spoken english for indian students often people say that a person who can write good english would also be fluent when it comes to speaking it frankly speaking it s not so people mistake writing for speaking and vice versa the world of spoken english is far different from that of written one it s also true in case of other languages the spoken form of a language naturally exists before long before it is formalised into symbols or letters called its alphabet the same order goes for english first the ears then tongue and then hands is a natural process of learning any language english for for indian students is a modest attempt to help guide you speaking functional english as a tool of communication required on various occasions and situations and that i presume is what you would be aiming at while going through

this book don t treat it as the bible on spoken form of english neither think about it as a text book full of rules do s and dont s of english grammar it s not essential to worry about the grammar of english when we use it in spoken form this is very important fact to be aware of a baby picks up its first language also called its mother tongue easily and naturally even without knowing the alphabet and the grammar of the first language in fact the baby is not aware that there exist many sounds symbols rules and grammar of the language he she is learning this makes your task easy isn t it you are not well versed with nouns adjectives verbs tenses articles prepositions active passive voice and blah blah blah doesn t at all indicate that you cannot speak english banish the fear of other things for learning spoken english if you wish to draw maximum benefit out of this book read it at your own pace and practise what you read and imagine situations conditions where you would be required to communicate what you have learnt very clearly this book is not at all for readers only but for doers you are not going to learn a language here you are going to acquire the skill of speaking english author

a practical insightful exploration of natural spoken english based on 20 varied authentic extracts exploring spoken english is a practical guide to the features of natural spoken english designed for teachers and advanced learners of english for use in groups and for self study the material consists of 20 varied extracts of authentic spoken english drawn from the cambridge university press and university of nottingham corpus of spoken english each unit contains an activity for the reader and a line by line commentary offering new insights into grammar vocabulary and discourse patterns in the text audio cds to accompany this book available to purchase separately contain all the extracts some re recorded for the purposes of clarity
