inspired by 1 thessalonians 5 23 this new book from pastor david stine focuses on the three parts of your being the spirit the soul and the body and shows how you can experience a balanced and more fulfilled life when you take care of all three pastor david stine was the head of a growing church in the nation s capital he was seeing

exponential church growth and reaching hearts and minds for god but inside he felt spiritually dry he was burnt out his health suffered and his preaching became uninspired then one day he read 1 thessalonians 5 23 in a way he never had before the verse he now saw clearly indicated that were three parts to the human self the spirit the soul and the physical body he had only been focusing on one part and realized his life was seriously out of balance with the way god intended as soon as pastor stine began to focus on his emotional well being and physical health in addition to his spiritual fitness everything changed he began to see that all three elements are interconnected and necessary for a vibrant christian life divided into three sections the whole life is a practical guide to leading an empowered and balanced life the spiritual formation section discusses the importance of prayer the need to read scripture regularly and the necessity of having a god sized dream to guide you the soul care section covers your mind your emotions and your desires while the body health sections discusses nutrition exercise and rest in each section pastor stine helps you identify where you are thriving and where you are depriving yourself so that you can achieve a healthy whole body and in turn a whole life providing practical and inspiring ways to feed and nurture yourself pastor stine guides you to discover how you too can have a whole balanced life in christ

you are an intelligent living human being and in order to assure your meaning and success throughout life you have to know everything about life everywhere in all forms and realities you have to learn everything about nature society and organic life about the true origins of life about creating life and about the divine and about your own meaning in life and in the world as an intelligent living human being while these are not random ideas but these specific needs for higher knowledge are embedded continuously within your own higher level intelligent needs and meanings just because this is the case with all intelligent life but is this important knowledge about life actually available to you and everyone else yes or no since there are many instances to consider yet when you are capable to find the necessary knowledge about life meaning society and the world you are truly capable to live your life at the intelligent human level while if you cannot find it you keep on searching since your own higher level needs and meanings never leave you alone until you learn everything necessary in life and in the world and so you do otherwise you end up living your life on lower developmental levels addicted in servitude or only intuitively through animal instincts and it certainly matters just because you are an intelligent living human being by nature now forced to live life below your level unfulfilled and even punished intrinsically for your continuous failure but where exactly can you find this important knowledge who can shine a living light on the accurate truth do you still wait for

science to do so when science had already offered you everything that it knows since high school throughout this book we model life in all significant details as we study everything alive and intelligent from the smallest cellular components to the entire human body mind and spirit and to all forms of life because everything is alive and meaningful in the world if you want to learn more about life in all forms and realities this book is for you

rebel columns is a selection of danny morrison s political commentaries published in various newspapers from the signing of the belfast agreement in 1998 to the recent 2004 elections this collection covers both international and irish politics all of the pieces apart from a small number of grammatical corrections or elisions appear here as they were originally submitted and some are thus longer than when first published book jacket
