the strength of david auburn s plays lies in part in the fact that his characters are ambiguous their fates not assured not least because they are unclear about themselves they are frequently capable of denial unsure of who they are or how they relate to those around them chris bigsby pulitzer prize and tony award winning author david auburn is an american dramatist who never fails to write astute and compelling dramas that grapple with large questions in this collection of his work spanning 23 years his celebrated plays are anthologised together for the first time showing him to be one of the most important contemporary dramatists of his generation from the pulitzer prize winning proof 2000 to his latest broadway smash hit summer 1976 published for the first time this collected works offers a comprehensive overview to auburn s work for broadway and beyond proof an exhilarating and assured new play that turns the esoteric world of higher mathematics literally into a back porch drama one that is as accessible and compelling as a detective story ny times the columnist this engagingly interesting and enlightening drama speaks to the powerful influence of the media during the 50 60 70 s as strong writers with amazing charm and poise possessed with immense power to persuade both politicians and the public to their causes chicago

critic lost lake a melancholy portrait of two strangers reaching for a tentative connection across the divide of their damaged lives hollywood reporter the new york idea a brisk streamlined treatment of this classic american play which caused a sensation in its day variety summer 1976 it's sharply observant too and subtly insistently feminist more than the wisp of a two hander that it might first appear to be ny times

hysteria trauma and melancholia have not only become powerful tropes in modern day culture at large they are also prominent in the theatre how do contemporary plays employ these concepts how does the staging of these disorders affect the aesthetics of the plays what exchange relations between theory and theatre can be traced christina wald pursues such questions in this new study establishing the characteristics and concerns of the drama of hysteria trauma drama and the drama of melancholia through in depth readings of works by playwrights such as anna furse jerry johnson sarah daniels phylis nagy claire dowie david auburn marina carr and sarah kane conceptualising hysteria trauma and melancholia as performative maladies wald educes an exciting interaction of theatrical performance psychiatric and psychoanalytic theory and the theory of gender performativity

making the stage is a collection of essays that examines the role of theatre drama and performance in contemporary culture a culture that is growing increasingly technological and isolated seemingly at odds with the very nature of theatre a collaborative and sometimes very primitive art form through the course of these essays it is clear that theatre not only survives some of the challenges of the day but even defines discussions particularly political ones which are prohibited by an increasingly manipulated media the essays from a diverse group of theatre scholars examine the mechanics of theatre from space to sound to the use of technology the role of women in creating theatre the relationship between theatre and literary art forms the politics of theatre science and theatre and the role of performance art through them all it is clear that theatre drama and performance continue to speak in significant ways
