the first comprehensive psychiatry review textbook designed expressly for the canadian
market psychiatry review and canadian certification exam preparation guide is the resource
residents and psychiatrists need to master the qualifying examinations in psychiatry of the
royal college of physicians and surgeons of canada these exams are required for certification
both for graduating residents and most foreign trained psychiatrists seeking to practice in
canada this new volume based on the american psychiatric publishing board review guide for
psychiatry has been carefully edited to include only material relevant to the canadian exam
references have been taken from both the u s and canadian psychiatric literature and
laboratory units medication names and doses and the language used have been edited to be
consistent with canadian psychiatry the volume takes the reader from the basic sciences
comprising the foundation of psychiatry through the psychiatric interview and other
diagnostic topics to syndrome specific chapters paralleling dsm iv tr and finally to current
treatment options rounding out the review is a 200 question practice exam that reflects the

structure of the actual board examinations although no substitute for quality medical and residency training psychiatry review and canadian certification exam preparation guide will help the prospective exam taker ameliorate weaknesses and enhance strengths in preparation for a successful exam experience

why are unions weaker in the us than they are in canada despite the countries many similarities

in the context of considerable labour market change many adults in canada are being challenged to consider alternative career paths and to upskill or retrain career guidance has the potential to facilitate employment transitions not only from the education system to the labour market but also from unemployment to employment and from declining to growing sectors

broadcasting policy in canada traces the development of canada s broadcasting legislation and analyses the roles and responsibilities of the key players in the broadcasting system particularly those of the canadian radio television and telecommunications commission crtc

public concern about worsening global environmental and social conditions has spurred corporate participation in voluntary corporate social responsibility csr programs such efforts are promising but csr participation has unfolded unevenly across the globe leading to skepticism about the efficacy of csr efforts and to increased pressure on governments to get involved corporate social responsibility and the state examines csr governance through the lens of forest certification in canada the us and sweden drawing on more than one hundred interviews with experts lister offers revealing new information on csr governance ultimately demonstrating the importance of voluntary csr as a supplement to rather than a substitute for strong state regulation one of the first studies to directly address the role of the public sector in csr this book provides much needed theoretical and practical guidance for understanding a vital new governance approach to effective social and environmental stewardship
