what characterised women's international co-operation in the interwar period how did female activists from different countries and continents relate to one another
marie sandell here explores the changing experiences of women involved in the major international women's organisations including the international council of women international alliance of women women's international league for peace and freedom and the international federation of university women as well as the changing compositions and

aims of the organisations themselves moving beyond an anglo american focus sandell analyses what the term international sisterhood meant in this broader context which for the first time included women from the beyond the western world focusing on shifting identities this book investigates how notions of sisterhood were played out and contested during the interwar period and will be invaluable reading for scholars of women s history and twentieth century world history

this authoritative collection brings together the latest thinking on women s leadership in early christianity featuring contributors from key thinkers in the fields of christian history it considers the evidence for ways in which women exercised leadership in churches from the 1st to the 9th centuries ce

these volumes provide an authoritative reference resource on leadership issues specific to women and gender with a focus on positive aspects and opportunities for leadership in various domains
