The Transformative Cinema of Alejandro Jodorowsky
The Way of Imagination
George Melnyk Alejandro Jodorowsky

Alejandro Jodorowsky is a theatre director, writer of graphic novels and comics, novelist, poet, and an expert in the tarot. He is also an auteur filmmaker who garnered attention with his breakthrough film *El Topo* in 1970. He has been called a cult filmmaker whose films are surreal, hallucinatory, and provocative. The transformative cinema of Alejandro Jodorowsky explores the ways in which Jodorowsky's films are transformative in a psychologically therapeutic way. It also examines his signature style, which includes the symbolic meaning of various colors in which he clothes his actors, the use of his own family members in the films, and his casting of himself in leading roles. This total involvement of himself and his family in his auteur films led to his psychotherapeutic theories and practices: metagenealogy and psychomagic. This book is the only second book in the English language in print that deals with all of Jodorowsky's films, beginning with his earliest mime film in 1957 and ending with his 2019 film on psychomagic. It also connects his work as a writer and therapist to his films, which themselves attempt to obliterate the line between fantasy and reality.

Explains the theoretical basis behind psychomagic, Jodorowsky's shamanic healing technique. Details the author's technique of psychotrance to access his subconscious mind to discover the most suitable psychomagic remedy. Shares passionate correspondence between Jodorowsky and patients and admirers who have successfully used psychomagic methods for personal healing through films, books, comics, and art spanning seven decades. Legendary filmmaker Alejandro Jodorowsky has offered his singular, surrealistic perspective on the fundamentally dreamlike nature of reality. This perspective also underlies his healing technique, known as psychomagic, which uses the symbolism of the unconscious to understand and mend reality as if it were a dream. In *The Way of Imagination*, the Master offers a detailed exploration of the mechanisms by which psychomagic works to heal our most pressing emotional and spiritual wounds. He describes the initial stages of psychomagic's

development into a practice and how he crafted the first psychomagic prescriptions to speak directly to the subconscious through the language of dreams above all jodorowsky explains psychomagic is a therapy of action rather than one of words sharing passionate correspondence between himself and patients and admirers in the form of 84 letters the author demonstrates how people have successfully used psychomagic to make profound changes in their lives he shares detailed accounts of how he uses tarot readings to determine a diagnosis as well as how he uses a trance state what he calls psychotrance to access his subconscious mind to discover the most suitable psychomagic remedy presenting a complete immersion in the techniques of psychotrance and psychomagic this guide show how the dreamlike nature of reality can help us move forward on the path to healing
