the first new translation of kierkegaard s masterwork in a generation brings to vivid life this essential work of modern philosophy brilliantly synthesizing human insights with christian dogma søren kierkegaard presented in 1844 the concept of anxiety as a landmark psychological deliberation suggesting that our only hope in overcoming anxiety was not through powder and pills but by embracing it with open arms while kierkegaard s danish prose is surprisingly rich previous translations the most recent in 1980 have marginalized the work with alternately florid or slavishly wooden language with a vibrancy never seen before in english alastair hannay the world s foremost kierkegaard scholar has finally re created its natural rhythm eager that this overlooked classic will be revived as the seminal work of existentialism and moral psychology that it is from the concept of anxiety and no grand inquisitor has such frightful torments in readiness as has anxiety and no secret agent knows as cunningly how to attack the suspect in his weakest moment or to make so seductive the trap in which he will be snared and no discerning judge understands how to examine yes exanimate the accused as does anxiety which never lets him go not in diversion not in noise not at work not by day not by night

here is the actual handbook that napoleon hill provided to certified teachers of his ideas a master class from the greatest

motivational teacher of all time the master key to riches is the blueprint that napoleon hill placed in the hands of those who would teach and perfect his success methods now revised and updated for the twenty first century to avoid arcane language or points of reference this book contains the full range of ideas and exercises that appeared in the original edition in this volume hill covers lessons including the law of cosmic habitforce andrew carnegie s master mind method the magic of going the extra mile the twelve true riches of life the master key to riches has been revised by patrica horan who revised the magic ladder to success is a thirty year veteran of new york book and magazine publishing as well as an award winning author editor copywriter and playwright she has most recently worked as editor of breakthrough the quarterly journal of global education associates a un non governmental organization founded in 1973 she is the author of 177 favorite poems for children and haiti vibrant land of joy and sorrow

the step by step detail described in this book will show you how to succeed in any walk of life

in search of wisdom is a book born of the friendship of three gifted teachers exploring the universal human journey and our quest for meaning and understanding this translation of the french bestseller brings readers an intimate insightful and wide ranging conversation between buddhist monk and author matthieu ricard philosopher alexandre jollien and psychiatrist christophe andré join these three luminaries as they share their views on how we uncover our deepest aspirations in life the nature of the ego living with the full range of human emotion the art of listening the temple of the body the origin of suffering the joy of altruism true freedom and much more we don t pretend to be experts on the subject matter or models in accomplishing the work or overcoming the obstacles involved in it they write we are only travelers in search of wisdom aware that the path is long and arduous and that we have so much still to discover to clarify and to assimilate through practice our dearest wish is that when you cast your eyes on these pages you will discover subjects for reflection to inspire you and brighten the light of your life in search of wisdom highlights discovering our deepest aspirations the ego friend or impostor learning to live with the full spectrum of our emotions the art of listening the body burden or idol suffering and its origins the joy of altruism the school of simplicity guilt and forgiveness true freedom daily practice

the author of the international bestseller happiness makes a passionate case for altruism and why we need it now more than ever in happiness matthieu ricard demonstrated that true happiness is not tied to fleeting moments or sensations but is an enduring state of soul rooted in mindfulness and compassion for others now he turns his lens from the personal to the global with a rousing argument that altruism genuine concern for the well being of others could be the saving grace of the 21st century

it is he believes the vital thread that can answer the main challenges of our time the economy in the short term life satisfaction in the mid term and environment in the long term ricard s message has been taken up by major economists and thinkers including dennis snower amartya sen joseph stiglitz and george soros matthieu ricard makes a robust and passionate case for cultivating altruistic love and compassion as the best means for simultaneously benefitting ourselves and our society it s a fresh outlook on an ardent struggle and one that just might make the world a better place

this book has everything you need to know in order to become an expert at mind reading using skills such as non verbal communication body language and psychological influence we can find out what another person thinks and feels and consequently control that person s thoughts and beliefs any way we want henrik fexeus introduces a new kind of practical interpretation of the concept of mind reading which you will find practical in all aspects of your everyday life job interviews a first date suggesting proposals to your boss and in all social situations where you want to get your ideas across and influence other people posture intonation pace glances and hand gestures all reveal what a person feels often it will be in direct conflict with the message they are expressing in words this book gives you the right tools to decipher these hidden messages when fexeus writes it s in a manner which draws the reader through his reasoning and makes the reader want to know more

james allen 1864 1912 was a british philosophical writer famous for writing many early inspirational books and poetry as well as being a pioneer of the self help movement in this 1907 work allen continues his quest to reveal the true path to success in a world full of obstacles characteristically he advises on both the spiritual and the practical helping the reader understand the power of thought and use it to achieve success and prosperity with timeless tips and invaluable lessons the path of prosperity will be of considerable utility to those with an interest in changing their life by increasing their wealth contents include the lesson of evil the world a reflex of mental states the way out of undesirable conditions the silent power of thought controlling and directing one s forces the secret of health success and power the secret of abounding happiness the realization of prosperity etc james allen is best remembered for his work as a man thinketh which has remained in mass production since it was first published in in 1903 and has been a constant source of inspiration to people around the world other notable works by this author include through the gate of good or christ and conduct 1903 byways of blessedness 1904 and out from the heart 1904 many vintage books such as this are becoming increasingly scarce and expensive it is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with the original text and artwork
