this is a book on reminiscence or more modestly a book on reminiscence in motor tasks or more modestly still on reminiscence in pursuit rotor learning with occasional references to other types of reminiscence the vast majority of experiments investigating reminiscence with the pur suit rotor have been carried out within the framework of hullian learn ing theory thus of necessity this book also will be much concerned with that theory some readers may feel that so much detailed attention paid to one piece of apparatus and one now rather discredited theory is overdone we could not agree with such an evaluation there are several

features of pursuit rotor performance which make it particularly worthy of attention one of the more important of these features is the easy replicability of many of the phenomena found in performance of this task this is our first point replicability is the life blood of science what cannot be replicated by any well trained observer is of doubtful status in science and on this score pursuit rotor work certainly emerges as perhaps the most reliable set of observations in experimental psychology the effects of massing and spacing of rest pauses of different length of switching from massed to spaced learning or vice versa of interpolating different activities of introducing distracting stimuli of switching from right to left hand or vice versa of changing the speed of rotation or the diameter of the target disk these are clear cut and replicable as few phenomena in psychology are

each year more and more emphasis is placed on achieving good results in the end of school exams this can lead to students feeling extraordinary pressure and having unrealistic expectations in this all new and completely revised edition of the bestselling surviving year 12 dr michael carr gregg australia s leading adolescent psychologist gives advice to parents on how they can help their child cope with the pressure work smarter and actually enjoy their final years of school includes advice on the secrets of studying smarter latest research overcoming anxiety and stress getting enough sleep the best study tool of all setting goals dealing with procrastination ensuring good exercise and diet regimes coping with exams most importantly dr carr gregg offers humorous encouragement to help maintain perspective and keep your sanity intact during this important year with words of wisdom from parents and past students surviving year 12 is a must have for your family

this guide contains the most complete up to date accurate information available for all aba approved law schools the two most authoritative sources for data and information on law schoolso the lsac which administers the lsat and the aba which accredits the law schoolso have teamed up to provide a comprehensive law school guide featuring data and admission profiles that are available nowhere else
