this edited volume sets out to explore interdisciplinarity issues and strategies in public service interpreting psi focusing on theoretical issues global practices and education and training unlike other types of interpreting psi touches on the most private spheres of human life making it all the more imperative for the service to move towards professionalization and for ad hoc training methods to be developed within higher institutions of education psi is a fast developing area which will assume an increasingly important role in the spectrum of the language professions in the future an international dynamic and interdisciplinary exploration of matters related to psi in various cultural contexts and different language combinations will provide valuable insights for anyone who wishes to have a better understanding when working as communities of practice for this purpose the editors have collected contributions focusing on training ethical issues professional deontology the role and responsibilities of interpreters management and policy as well as problems and strategies in different countries and regions this collection will be a valuable reference for any student or academic working in interpreting particularly those focusing on public service interpreting anywhere in the world

this edited collection brings together new research on public service interpreting and translation psit with a focus on ideology ethics and policy development the contributions provide fresh theoretical and empirical perspectives on the inconsistencies in translation and interpreting provision observed in different geonational contexts and the often reported tensions between prescribed

approaches to ethics and practitioner experience the discussions are set against the backdrop of developments in rights based discourses on language support services and the professionalisation of the field drawing attention to how stakeholders and interpreting practitioners navigate the realities of service in the context of shifting ideological landscapes particular innovations in the collection include theorisations about policy and practice that draw on political science applied ethics and paradigms of trauma informed care the volume also presents research on settings that have received limited attention to date such as prison and charitable services for survivors of violence and trauma

this book is a collection of papers presented in stockholm at the fourth critical link conference the book is a well balanced mix of academic research and texts of a more practical professional character the introducing article explicitly addresses the issue of professionalism and how this has been dealt with in research on interpreting the following two sections provide examples of recent research applying various theoretical approaches section four reports on the development of current more or less local standards section five raises issues of professional ideology the final section tells about new training initiatives and programmes all contributions were selected because of their relevance to the theme of professionalisation of interpreting in the community the volume is the fourth in a series documenting the advance of a whole new empirical and professional field it is of central interest for all people involved in this development interpreters researchers trainers and others

public service interpreting is a field of central interest to those involved in ensuring access to public services this book provides an overview of current issues through a multi faceted approach situating the work of public service interpreters in the broader context of public service practice

english is now a global phenomenon no longer defined by fixed territorial cultural and social functions the routledge companion to english studies provides an overview of

this dynamic field of study with this new edition focusing on english from an applied language perspective and taking account of interdisciplinary and decolonizing viewpoints this companion considers historical trajectories while also showcasing state of the art contributions by established scholars from around the world the routledge companion to english studies provides a broad view of english as a subject of study and research through language centred disciplines investigates the use of english and language more broadly in contemporary communication practices taking into account the use of technology explores the role of english in education and in society from social and global perspectives highlights the importance of the link between english and other languages within the concepts of flexible multilingualism and translanguaging offers a view on the need for extending and deepening the concerns of english studies as a field of scholarly enquiry this collection of thirty one commissioned chapters provides a contemporary picture of the diverse field of english studies and is an expert informed text for advanced students and researchers in this field

interpreters play a crucial yet often underestimated role in asylum interviews they mediate between the asylum seeker and the interviewer who would not be able to communicate without the help of the interpreter as it is often not possible for applicants to provide written evidence to substantiate their claims their oral accounts of what has happened to them are usually the sole basis for an official s decision and ultimately a pivotal point in the applicant s life given the significant consequences of such decisions during the asylum procedure interpreters carry a great deal of responsibility both in terms of their professional behaviour and with regard to the quality of interpretation this handbook now in its second updated and expanded edition responds to the need for qualified interpreters in asylum procedures by offering a theoretical insight into a variety of topics relevant to interpreters in the asylum context as well as activities and exercises enabling experiential and interactive learning it is aimed both at interpreters in asylum procedures who have no

formal training and trained interpreters who wish to specialise in the field in addition the handbook is intended for facilitators and trainers to use in face to face training courses the handbook is also relevant to asylum authorities and interviewers providing them with insights into and guidance in working with interpreters

translation interpreting and other forms of communication support within public sector settings constitute a field which deals quite literally with matters of life and death overshadowed for many years by interpreting and translating in other domains public sector interpreting and translating has received growing attention in recent years with increasingly mobile populations and human rights diversity and equality legislation shining the spotlight on the need for quality provision across an increasing range and volume of activities interpreting and translating in public service settings offers a collection of analytically grounded essays that provide new insights into the reality of the interaction in public sector settings and into the roles and positioning of the participants by challenging existing models and paradigms issues of local need but with global resonance are addressed and current reality is set against plans for the future the triad of participants interpreter translator public sector professional and client is investigated as are aspects of pedagogy policy and practice empirical data supports the study of topics related to written spoken and signed activities in a variety of professional settings bringing together academics and practitioners from different countries in order to explore the multidisciplinary dimension of the subject this collection should serve as a valuable reference tool not only for academics and students of public sector interpreting and translating but also for practising linguists providers of language services and policy makers

the present volume current approaches to discourse and translation studies presents innovative theoretical models and applications of the two disciplines in intercultural contexts the yearbook of corpus linguistics and pragmatics offers a platform to scholars who carry out rigorous and interdisciplinary research on language in real

use corpus linguistics and pragmatics have traditionally represented two paths of scientific research parallel but often mutually exclusive and excluding corpus linguistics can offer a meticulous methodology based on mathematics and statistics while pragmatics strives to interpret intended meaning in real language this series will give readers insight into how pragmatics can be used to explain real corpus data and how corpora can illustrate pragmatic intuitions

linguistic minorities are everywhere and they are diverse in this context linguistic mediation activities whether translation or interpreting are key to the social inclusion of any kind of linguistic minority in most societies autochthonous linguistic minorities coexist with foreignspeaking minorities and people with or without disabilities who rely linguistically or medially adapted on texts to access information the present volume draws on this broad understanding of the concept of linguistic minorities to explore some of the newest developments in the field of translation studies and linguistics the articles are structured around three main axes accessibility of content especially audiovisual translation intralingual translation including initiatives regarding plain language easy to read and easy language mediation for minorities in a broader sense and language ideologies

public service interpreting is a hugely complex activity encompassing human ethical commercial and political dimensions it is unseen and unrecognized by most of the population but vital to those who depend on it for their security or wellbeing the quality of psi provision is seen by the authors as a clear indicator of how a society views and responds to the realities of a multi ethnic and multilingual global community following recent significant changes in the power balance between them this book explores the increasing tensions among multiple stakeholders who together deliver such a fundamental service in a modern open society chapters focus on how all stakeholders need to appreciate the wider context of political and economic realities whilst collaborating more responsibly to deliver the conditions training and

support needed for expert linguists to be attracted to and retained in this vital profession

this volume deals with translation research tr and interpreting research ir in the main contribution daniel gile from the université lumière lyon 2 france explores kinship differences and prospects for partnership between the two he gives an overview of the history of research into translation and interpreting explores commonalities and reviews differences between translation and interpreting and discusses implications for research he comments critically on the foci and paradigms in both tr and ir and on the epistemological and methodological problems they raise he concludes by saying that translation and interpreting studies are gaining both social cohesion and some weight as an academic identity the contributions by jan cambridge andrew chesterman janet fraser yves gambier moira inghilleri zuzana jettmarová ian mason mariana orozco franz pöchhacker and miriam shlesinger focus on translator and interpreter behaviour research methodology types of research disciplinary autonomy and interdisciplinarity theory and practice research training and institutional constraints there is general agreement that in view of commonalities and differences between translation and interpreting each step in the investigation of one can contribute valuable input towards investigation of the other

this is the first book to focus solely on ethics in public service interpreting four leading researchers from across europe share their expertise on ethics the theory behind ethics types of ethics codes of ethics and what it means to be a public service interpreter this volume is highly innovative in that it provides the reader with not only a theoretical basis to explain why underlying ethical dilemmas are so common in the field but it also offers guidelines that are explained and discussed at length and illustrated with examples divided into three parts this ground breaking text offers a comprehensive discussion of issues surrounding public service interpreting part 1 centres on ethical theories part 2 compares and contrasts codes of ethics and

includes real life examples related to ethics and part 3 discusses the link between ethics professional development and trust ethics in public service interpreting serves as both an explanatory and informative core text for students and as a guide or reference book for interpreter trainees as well as for professional interpreters and for professionals who need an interpreter's assistance in their own work

covers aspects on promoting language rights functional multilingualism service providers who work with interpreters language planners trainers and managers

the routledge handbook of public service interpreting provides a comprehensive overview of research in public service or community interpreting it offers reflections and suggestions for improving public service communication in plurilingual settings and provides tools for dealing with public service communication in a global society written by leading and emerging scholars from across the world this volume provides an editorial introduction setting the work of public service interpreting psi in context and further reading suggestions divided into three parts the first is dedicated to the main theoretical issues and debates which have shaped research on public service interpreting the second discusses the characteristics of interpreting in the settings which have been most in need of public service interpreting services the third provides reflections and suggestions on interpreter as well as provider training with an aim to improve public service interpreting services this handbook is the essential guide for all students researchers and practitioners of psi within interpreting and translation studies medicine and health studies law social services multilingualism and multimodality

routledge interpreting guides cover the key settings or domains of interpreting and equip trainee interpreters and students of interpreting with the skills needed in each area of the field concise accessible and written by leading authorities they include examples from existing interpreting practice activities further reading suggestions and a glossary of key terms drawing on recent peer reviewed research in interpreting

studies and related disciplines dialogue interpreting helps practising interpreters students and instructors of interpreting to navigate their way through what is fast becoming the very expansive field of dialogue interpreting in more traditional domains such as legal and medical and in areas where new needs of language brokerage are only beginning to be identified such as asylum education social care and faith innovative in its approach this guide places emphasis on collaborative dimensions in the wider institutional and organizational setting in each of the domains covered and on understanding services in the context of local communities the authors propose solutions to real life problems based on knowledge of domain specific practices and protocols as well as inviting discussion on existing standards of practice for interpreters key features include contextualized examples and case studies reinforced by voices from the field such as the views of managers of language services and the publications of professional associations these allow readers to evaluate appropriate responses in relation to their particular geo national contexts of practice and personal experience activities to support the structured development of research skills interpreter performance and team work these can be used either in class or as self guided or collaborative learning and are supplemented by materials on the translation studies portal a glossary of key terms and pointers to resources for further development dialogue interpreting is an essential guide for practising interpreters and for all students of interpreting within advanced undergraduate and postgraduate graduate programmes in translation and interpreting studies modern languages applied linguistics and intercultural communication
