i always wanted to write a book where i call the general populace a bunch of limp dicks and desiccated pussies however my editor refused to publish anything so honest luckily i am the master of work arounds so in the guise of modeling hard dickitude and wet pussiness i managed to trick my editor into publishing this memoir by concealing my recriminations inside stories follow me as i take kerouac s on the road beneath a table oddly enough there were nearly as many drug dealers sexpots and weirdoes in an empty room at a reception hall as there were if you had hitchhiked across america in the late 1940s while hiding from both management and low lifes alike i secreted myself behind the white shroud of a skirted table beneath this table i found friendship love and a workable philosophy

on how to live life lying prone beneath a rectangular skirted table i learned ironically enough how to think outside the box also i ve never actually had an editor
