teenage girls seem to have been discovered by american pop culture in the 1930s from that time until the present day they have appeared in books and films comics and television as the embodied fantasies and nightmares of youth women and sexual maturation looking at such figures as nancy drew judy graves corliss archer gidget buffy the vampire slayer and britney spears american sweethearts shows how popular culture has shaped our view of the adolescent girl as an individual who is simultaneously sexualized and infantilized while young women have received some positive lessons from these cultural icons the overwhelming message conveyed by the characters and stories they inhabit stresses the dominance of the father and the teenage girl s otherness subordination and ineptitude as sweet as a cherry lollipop and as tangy as a sweetart this book is an entertaining yet thoughtful exploration of the image of the american girl

from board games to beauty pageants a smart witty pop culture history of the perilous path to achieving the feminine ideal deluged by persuasive advertisements and meticulous though often misguided advice experts women from the 1940s to the 1970s were coaxed to think pink when they thought of what it meant to be a woman attaining feminine perfection meant conforming to a mythical standard one that would come wrapped in an adorable pink package if those cunning marketers were to be believed with wise humor and a savvy eye for curious absurd and at times wildly funny period artifacts lynn peril gathers here the memorabilia of the era from kitschy board games and lunch boxes to outdated advice books and health pamphlets and reminds us how media messages have long endeavored to shape women s behavior and self image with varying degrees of success vividly illustrated with photographs of vintage paraphernalia this entertaining social history revisits the nostalgic past but only to offer a refreshing message to women who lived through those years as well as those who are coming of age now

must they always be continents apart nobody expects paris fashion designer grace railton to settle down in her indiana town least of all mica barzoni fifteen months ago he turned to her for comfort and compassion following a farming accident that left him permanently injured then she returned to france and went silent on him until suddenly grace shows up on his doorstep with life altering news mica a father he s barely learned to navigate his postaccident life but this could be his chance to become the man he s always wanted to be the husband and father grace and their baby son need now mica just has to convince her to stay

the history of montana state university bozeman as depicted through photographs

must they always be continents apart
