as the first and largest guestworker program the u s mexico bracero program 1942 1964 codified the unequal relations of labor migration between the two nations this book interrogates the articulations of race and class in the making of the bracero program by introducing new syntheses of sociological theories and methods to center the experiences and recollections of former braceros and their families

Latinas in the United States: A Historical Encyclopedia records the contribution of women of Latin American birth or heritage to the economic and cultural development of the United States. The encyclopedia, edited by Vicki L. Ruiz and Virginia Sánchez Korrol, is the first comprehensive gathering of scholarship on Latinas. This encyclopedia will serve as an essential reference for decades to come. In more than 580 entries, the historical and cultural narratives of Latinas come to life from mestizo settlement, pioneer life, and diasporic communities. The encyclopedia details the contributions of women as settlers, *comadres*, and landowners; as organizers and nuns; more than 200 scholars explore the experiences of Latinas during and after Euroamerican colonization and conquest; the early 19th-century migration of Puerto Ricans and Cubans; 20th-century issues of migration, cultural tradition, labor, gender roles, community organization, and politics; and much more. Individual biographical entries profile women who have left their mark on the historical and cultural landscape. With more than 300 photographs, *Latinas in the United States* offers a mosaic of historical experiences detailing how Latinas have shaped their own lives, cultures, and communities through mutual assistance and collective action while confronting the pressures of colonialism, racism, discrimination, sexism, and poverty. Meant for scholars and general readers, this is a great resource on Latinas and historical topics connected with them. curledup.com

Examines the history and culture of Mexico and its relations with its neighbors to the north and east from the Spanish conquest to the current presidency of Vicente Fox.

A comprehensive historical encyclopedia that covers the full range of Latina economic, political, and cultural life in the United States.

Within the American Catholic Church, the Mexican American legacy is the longest, as is their struggle for full acceptance in the institutional church. In this volume, three historians examine religious history focusing on Mexican American faith communities. Originally published in 1994.

Describes the causes and events of the California grape pickers' strike and the role of Cesar Chavez in its successful resolution.
