while 1998 marked the 100th anniversary of the united states invasion and takeover of puerto rico it wasn't until 1999 that the island's political movements reappeared on the radar screen of the american people that year two major developments occurred that transformed the relationship between puerto rico and washington d c the limited clemency granted by then president clinton to eleven puerto rican nationalists and the death of puerto rican civilian security guard david sanes killed by missile fragments

from u s naval bombing tests on the island municipality of vieques how does vieques fit into the political future of puerto rico while anti navy protesters are careful not to mix the island s political status options with their battle against the navy it is important to understand the role washington has played in shaping puerto rico s current reality and how it has allowed the navy to use vieques as a bombing range for 60 years it also helps one begin to predict what is the future of puerto rico is it to be a colony fifty first state of the united states sovereign nation in islands of resistance mario a murillo approaches these questions by examining how puerto rican politics have been shaped as much by 100 years of u s economic military and cultural domination of the territory as by the enduring grassroots resistance of the puerto rican people islands of resistance puts the contemporary situation in puerto rico into an historic context that will help people understand what is at stake in vieques not only for viequenses but for puerto ricans both on the island and in the diaspora

this exciting addition to the culture and customs of latin america and the caribbean series provides readers with an all encompassing look at contemporary life in puerto rico having always been under the watchful eyes of other colonies and countries puerto rico s own customs and traditions have managed to flourish throughout the ages culturally uniting what is a politically divided island in addition to gaining an understanding of puerto rico s political relationship with the continental united states students can explore extensive narrative chapters that cover contemporary religion cuisine sports media cinema literature performing arts and visual arts an essential for high school and public library shelves culture and customs of puerto rico is the perfect research resource for students and general readers this exciting addition to the culture and customs of latin america and the caribbean series provides readers with an exhaustive look at contemporary life in puerto rico having always been under the watchful eyes of other colonies and countries puerto rico s own customs and traditions have managed to flourish throughout the ages culturally uniting what is a politically divided island in addition to gaining an understanding of puerto rico s political relationship with the continental united states students can explore the small island nation s history with spain during the colonial era this fascinating volume provides illustrative narrative chapters on religious practices in puerto rico as well as religious and secular festivals social customs such as sports cuisine gender issues family values and nightlife are discussed in depth extensive coverage on the media performing arts cinema visual arts and literature provides students with a solid foundation in puerto rican past and contemporary culture an essential for high school and public library shelves culture and customs of puerto rico is the perfect research resource for students and general readers
