the author of the molly murphy mysteries now turns her attentions to the mischief mishaps and musings of minor english royalty my ridiculously long name is lady victoria georgiana charlotte eugenie thirty fourth in line for the throne i am as they say flat broke when my brother binky cut off my meager allowance i bolted from scotland and my engagement to fish face i mean prince siegfried for london where i have a built a fire in the hearth entirely on my own thank you very much b fallen for an absolutely unsuitable irish peer c made a few quid housekeeping incognito and d been summoned by the queen herself to spy on her playboy son less than thrilled with this last bit i m wondering what to do when an arrogant frenchman who was trying to swipe our family estate winds up dead in my bathtub now my new job is to clear that very long family name

it s 1930s london and lady georgiana thirty fourth in line to the throne has a lot on her plate but little in her cupboards in this national bestseller baked beans and boiled eggs that s what my houseguest the bavarian princess will have to eat if i don t get help posthaste the queen of england has requested i entertain said princess placing her in the playboy prince s path in hopes he might finally marry but queens never consider money of which i have little and which is why i moonlight as a maid in disguise my plans 1 clean house in manner of palace 2 blackmail brother binky into sending a few quid 3 un teach princess hanni english from gangster movies lest she address queen as old broad and 4 keep eye on princess at parties where she drinks like fish then there s the matter of the body in the bookshop and hanni s unwitting involvement with the communist party it s enough to drive a girl mad

she may be thirty fifth in line for the throne but lady georgiana rannoch cannot wait to ring in the new year before a christmas killer wrings another neck on the first day of christmas my true love gave to me well actually my true love darcy o mara is spending a feliz navidad tramping around south america meanwhile mummy is holed up in a tiny village called tiddleton under lovey with that droll noel coward and i m snowed in at castle rannoch with my bumbling brother binky and sourpuss sister in law fig so it s a miracle when i contrive to land a position as hostess to a posh holiday party in tiddleton the village is like something out of a christmas carol but then there are three deaths so called accidents perhaps a recent prison break could have something to do with it that or a long standing witch s curse but after darcy shows up beneath the mistletoe anything could be possible in this wicked wonderland

thirty fourth in line to the throne and england s poorest heiress lady georgiana finds herself in a

truly draining state of affairs with my hateful brother binky in town i've been desperately seeking an escape to my delight it comes in the form of an invitation from the queen to represent the royals at a wedding in transylvania legendary home of vampires i soon realise why i was the one honoured with such an invitation the bride princess maria theresa happens to be my old school chum matty but my stay in her macabre looking castle turns unnerving when i find dear matty with blood running down her chin then during the ceremony a prominent wedding guest is poisoned something must be done lest the nuptial festivities go to ruin or worse yet the couple's vows become to love and to cherish till undeath do us part

georgie is back and hanging the stockings with care when a murder interrupts her christmas cheer in this all new installment in the new york times bestselling royal spyness series from rhys bowen georgie is excited for her first christmas as a married woman in her lovely new home she suggests to her dashing husband darcy that they have a little house party but when darcy receives a letter from his aunt ermintrude there is an abrupt change in plans she has moved to a house on the edge of the sandringham estate near the royal family and wants to invite darcy and his new bride for christmas aunt ermintrude hints that the queen would like georgie nearby georgie had not known that aunt ermintrude was a former lady in waiting and close confidante of her royal highness the letter is therefore almost a royal request so georgie darcy and their christmas guests mummy grandad fig and binky all head to sandringham georgie soon learns that the notorious mrs simpson mistress to the prince of wales will also be in attendance it is now crystal clear to georgie that the queen expects her to do a bit of spying there is tension in the air from the get go and when georgie pays a visit to the queen she learns that there is more to her request than just some simple eavesdropping there have been a couple of strange accidents at the estate recently two gentlemen of the royal household have died in mysterious circumstances and another has been shot by mistake during a hunt georgie begins to suspect that a member of the royal family is the real target but her investigation will put her new husband and love of her life darcy in the crosshairs of a killer

now in one volume the first three charming and lighthearted kirkus reviews royal spyness mysteries from new york times bestselling author rhys bowen featuring the elegant titled and stony broke sleuth lady georgiana rannoch her royal spyness georgie is forced to earn her keep as a housekeeper in london when the queen summons her to spy on the playboy prince but when a frenchman winds up dead in georgie's bathtub it's her job to clear her very long family name a royal pain while entertaining a bavarian princess at the queen's behest georgie finds herself investigating the rather more worrisome matter of the dead body in the bookshop as well as her royal guest's unwitting involvement in the communist party royal flush after being saved from scandal by her on again but mostly off again beau darcy o mara georgie is shipped home where queen mary wants her to keep wallis simpson from seducing the prince of wales and scotland yard wants her to stop one of the members of the shooting party at balmoral from turning their sights from the quails to his royal highness

lady georgiana rannoch knows nothing is simple when you're thirty fifth in line for the british crown but her upcoming marriage proves to be the ultimate complication in the tenth mystery in the new york times bestselling royal spyness series as lady georgiana's beloved darcy drives her out of london she soon discovers that he isn't planning to introduce her to the pleasures of sinning in secret as she had hoped but to make her his wife of course she'll need special permission from the king to marry a roman catholic though he will inherit a title darcy is as broke as georgie even his family's irish castle has been sold to a rich american who now employs his father nothing will deter them from their mission except perhaps the news that georgie's future father in law has just been arrested for murdering the rich american with the elopement postponed they head for ireland where the suspect insists he's innocent and it's up to them to prove it for better or worse

lady georgiana rannoch juggles secret missions from the queen her beau and her mother in this mystery in the royal spyness series when royal sleuth georgie rannoch receives a letter from her dearest friend belinda who's in an italian villa awaiting the birth of her illegitimate baby she yearns to run to her side if only she could find a way to get there but then opportunity presents itself in a most unexpected way her cousin the queen asks her to attend a house party in the italian

lake country the prince of wales and the dreadful mrs simpson have been invited and her majesty is anxious to thwart a possible secret wedding what luck a chance to see belinda even if it is under the guise of stopping unwanted nuptials only that s as far as georgie s fortune takes her she soon discovers that she attended finishing school with the hostess of the party and the hatred they had for each other then has barely dimmed plus she needs to hide belinda s delicate condition from the other guests and her dashing beau darcy s naturally working undercover on a dangerous mission then her actress mother shows up with a not so little task to perform with all this subterfuge it seems something is bound to go horribly wrong and georgie will no doubt be left to pick up the pieces when it does

lady georgiana rannoch won t deny that being thirty fifth in line for the british throne has its advantages unfortunately money isn t one of them and sometimes making ends meet requires her to investigate a little royal wrongdoing while my beau darcy is off on a mysterious mission i am once again caught between my high birth and empty purse i am therefore relieved to receive a new assignment from the queen especially one that includes lodging the king s youngest son george is to wed princess marina of greece and i shall be her companion at the supposedly haunted kensington palace my duties are simple help marina acclimate to english life show her the best of london and above all dispel any rumours about george s libertine history perhaps that last bit isn t so simple george is known for his many affairs with women as well as men including the great songwriter noel coward but things truly get complicated when i search the palace for a supposed ghost only to encounter an actual dead person a society beauty said to have been one of prince george s mistresses nothing spoils a royal wedding more than murder and the queen wants the whole matter hushed but as the investigation unfolds and darcy as always turns up in the most unlikely of places the investigation brings us precariously close to the prince himself

lady georgiana rannoch thirty fifth in line for the british throne knows how to play the part of an almost royal but now she s off to hollywood where she must reprise her role as sleuth or risk starring in an all too convincing death scene my mother the glamorous and much married actress is hearing wedding bells once again which is why she must hop across the pond for a quickie divorce in reno to offer my moral support and since all expenses are paid by her new hubby to be max i agree to make the voyage with her crossing the atlantic with adventure in the air and wealthy men aboard mother all but forgets about max and matrimony especially when movie mogul cy goldman insists on casting her in his next picture meanwhile i find myself caught up in the secret investigation of a suspected jewel thief lucky for me the lead investigator happens to be my dashing beau darcy mother s movie and darcy s larceny lead everyone to cy s hollywood home where the likes of charlie chaplin are hanging about and there s enough romantic intrigue to fill a double feature but we hardly get a chance to work out the sleeping arrangements before cy turns up dead as if there wasn t enough drama already

royalty has its privileges even when you re thirty fourth in line to the throne as lady georgiana rannoch discovers on the glamorous and dangerous french riviera why should my clueless brother binky and his decidedly disagreeable wife fig be the only ones to enjoy the fun and sun of the french riviera thankfully her majesty the queen has once again come to my rescue she is sending me off to nice with a secret assignment recover her priceless stolen snuff box from the disreputable sir toby groper her majesty s trust is an honour but an even greater honour is bestowed upon me in nice none other than coco chanel herself asks me to model her latest fashion unfortunately things go disastrously wrong on the catwalk and before i can snatch the snuff box someone s life is snuffed out in a very dastardly way with a murderer on the loose and my dearest darcy seen in the company of another woman how s a girl to find any time to go to the casino

as thirty fifth in line for the throne lady georgiana rannoch may not be the most sophisticated young woman but she knows her table manners it s forks on the left knives on the right not in his majesty s back here i am thinking the education i received at my posh swiss finishing school would never come in handy and while it hasn t landed me a job or a husband it has convinced her majesty the queen and the dowager duchess to enlist my help i have been entrusted with grooming jack altringham the duke s newly discovered heir fresh from the outback of australia for high society the upside is i am to live in luxury at one of england s most gorgeous stately homes but

upon arrival at kingsdowne place my dearest darcy has been sent to fetch jack leaving me stuck in a manor full of miscreants none of whom are too pleased with the discovery of my new ward and no sooner has the lad been retrieved than the duke announces he wants to choose his own heir with the house in a hubbub over the news jack s hunting knife somehow finds its way into the duke s back eyes fall backs turn and fingers point to the young heir as if the rascal wasn t enough of a handful now he s suspected of murder jack may be wild but i d bet the crown jewels it wasn t he who killed the duke

in her third royal spyness whodunit rhys bowen returns with lady georgiana thirty fourth in line to the throne everyone s favorite penniless heiress with its posh clientele gone to the country my fledgling housecleaning business has fizzled now to make a living i must rely on my other talents as a dinner and theatre companion but on my first and only assignment the not so gentle man seems to have quite the wrong idea and darcy my on again but usually off again beau must come to my rescue to avoid further scandal i m shipped home like a naughty schoolgirl to castle rannoch where i am required to keep the entirely unsuitable mrs simpson from seducing the prince of wales oh and i ve also been coerced into helping scotland yard by keeping an eye on the members of the shooting party at balmoral and preventing someone from shooting the prince of wales instead of quails and manage all this without strangling my odious sister in law fig or my spineless brother binky

lady georgiana rannoch is just back from her honeymoon with dashing darcy o mara when a friend in need pulls her into a twisted gothic tale of betrayal deception and most definitely murder i am a bit at loose ends at the moment my cook queenie is making my new role as mistress of eynsleigh something akin to constant torture as darcy is off on another one of his top secret jaunts and grandad is busy helping wayward youths avoid lives of crime so when my dearest friend belinda inherits an old cottage in cornwall and begs me to go with her to inspect the property i jump at the chance after a heart stopping journey in belinda s beast of a motorcar we arrive at the creaky old cottage called white sails and quickly realize that it is completely uninhabitable just when i m starting to wonder if i would have been better off trying to get queenie to cook a roast that hasn t been burnt beyond all recognition we meet rose summers a woman belinda knew as a child when she spent time in cornwall rose invites us to stay at trewoma hall the lovely estate now owned by her husband tony belinda confesses that she never liked rose and had a fling with tony years ago so staying with them is far from ideal but beggars can t be choosers as they say trewoma is not the idyllic house belinda remembers there s something claustrophobic and foreboding about the place matters aren t helped by the oppressively efficient housekeeper mrs mannering or by the fact that tony seems to want to rekindle whatever he and belinda once had right under his wife s nose our increasingly awkward visit soon turns deadly when a member of the household is found murdered and all clues point to belinda as the prime suspect i soon learn that some long buried secrets have come back to haunt those in residence at trewoma hall and i ll need to sift through the ruins of their past so belinda doesn t lose her chance at freedom in the present

lady georgiana rannoch and her dashing husband darcy are awaiting a bundle of joy but an unexpected trip to paris will thrust them straight into a tangled web of international intrigue in this all new mystery in the new york times bestselling royal spyness series from rhys bowen what a delight it is to finally be able to enjoy a simple meal again i have been in the throes of morning sickness for the last few months as darcy and i prepare to welcome a brand new addition to our little family now that i am feeling better i have realized i am dreadfully bored it seems that all my nearest and dearest are off leading their own busy lives while i sit at home and attempt to train our two adorably naughty puppies fun as it may be it is hard not to long for a little adventure a change of pace before my true confinement begins when the baby comes happily it seems that darcy has read my mind when i receive a letter from my glamorous best friend belinda darcy suggests we take a trip to paris to visit her it seems he also has a spot of business of which to take care so i will be staying in belinda s flat as she works feverishly on coco chanel s fall collection i happen to know coco from a disastrous encounter in nice years ago and i am hoping this visit will go much more smoothly but i soon learn that nothing about my time in paris is going to be simple or safe for that matter darcy has asked me to take on a small chore as a part of his latest assignment i am

to covertly retrieve something from an attendee of coco s show it seems easy enough but i discover that this little errand could have terrifying consequences for a world on the brink of war when things go horribly wrong i am left to find a killer all while trying to fend off a french policeman who is certain that i am a criminal mastermind but i have no plans to deliver my darling little one in a prison cell and so i will muster every ounce of my courage to save the day and quite possibly the world
