this book addresses the influence of race and racism in social studies education it features contributions exposing whiteness and disrupting white supremacy the book promotes reshaping social studies to support students and teachers of color challenge colonialism develop racial literacy and promote justice oriented teaching

focusing on the efforts of teacher educators struggling to meaningfully address issues of race class and gender in their classrooms practicing what we teach goes beyond the realm of the theoretical to link multicultural theory to actual classroom practice in so doing the contributors expose some of the stark realities of addressing issues of diversity in institutions where there has traditionally been little research or support for multicultural efforts shared classroom experience by teacher educators creates a new template for thinking about diversity as the reader is guided through the reconstruction of pedagogies and classroom approaches that encourage students to think reflectively and analytically about the nature of their experiences in american society

while we are all familiar with the lives of prominent black civil rights leaders few of us have a sense of what is entailed in developing a white anti racist identity few of us can name the white activists who joined the struggle against discrimination let alone understand the complexities stresses and contradictions of doing this work while benefiting from the privileges they enjoyed as whites this book fills that gap by vividly presenting in their own words the personal stories experiences and reflections of fifteen prominent white anti

racists they recount the circumstances that led them to undertake this work describe key moments and insights along their journeys and frankly admit their continuing lapses and mistakes they make it clear that confronting oppression including their own prejudices whether about race sexual orientation ability or other differences is a lifelong process of learning the chapters in this book are full of inspirational and lesson rich stories about the expanding awareness of white social justice advocates and activists who grappled with their white privilege and their early socialization and decided to work against structural injustice and personal prejudice the authors are also self critical questioning their motivations and commitments and acknowledging that as whites and possessors of other privileged identities they continue to benefit from white privilege even as they work against it this is an eye opening book for anyone who wants to understand what it means to be white and the reality of what is involved in becoming a white anti racist and social justice advocate is interested in the paths taken by those who have gone before and wants to engage reflectively and critically in this difficult and important work contributing authorswarren j blumenfeldabby l ferberjane k fernandesmichelle finediane j goodmanpaul c gorskiheather w hackmangary r howardkevin jenningsfrances e kendallpaul kiveljames w loewenpeggy mcintoshjulie o maraalan rabinowitzandrea rabinowitzchristine e sleeter
