in writing through a life of triumph and tribulation troy s upman recounts an extraordinary journey that begins with an unremarkable rideshare ride and leads to a touching and transformative project from a seemingly routine pickup in dunedin florida upman s life takes an unexpected turn when a photograph was captured of captain dolores o riordan piloting her band members back to home port in st petersburg beach florida taken during a memorable fishing trip on easter of 1995 aboard the mis pass a grille sparks an idea to preserve her legacy through nfts the story unfolds as upman reflects on this serendipitous encounter revealing how a simple conversation and a shared love for music led to a profound connection with joe a man reuniting with a piece of his past through emotional recollections and a dedication to honor o riordan s impact upman embarks on a mission to create a digital tribute that celebrates her life and music this book offers readers an intimate look at the intersection of memory art and technology it s a tale of personal reflection creative inspiration and the power

of human connection discover how a chance meeting evolved into a lasting tribute and what it truly means to keep a legacy alive

an artistic periodical

this title looks at 50 major artists and discusses other artists whom they have influenced or been influenced by

this innovative book helps readers develop a personal philosophy and an artful approach to teaching this text uses the premise that teacher choices set the stage for a balanced approach to art education that considers the child society and the curriculum this book provides information regarding artistic development artistic behavior and methodology for developing curriculum across the developmental spectrum the reader is directly addressed as each chapter presents recent research along with important concepts to understand focuses on different aspects of art education and outlines advantages and challenges of making the suggested choices and also includes suggested activities so readers can act upon content for art teachers at the elementary or secondary education level or students studying to be art teachers

this book provides more than a historical account of the development of criticism it examines the epistemology of criticism and pursues how criticism on a fundamental structural level develops and changes the work focuses on the transformation of the critical theories of classicism and romanticism it does so with respect to how one discusses art and the artist and with respect to the epistemological changes in these discussions the thesis is that art gradually disconnects itself from the practical purposes and the codified language conducting the task of the classical artist ultimately the target of this work is the concept of truth the idea of a linkage between poetry and truth and the idea of the poet as a prophet and seer this book will be a

useful text for humanities classes as well as courses in the history of criticism and aesthetics
