an anthology that introduces students to how race class and gender shape the experiences of diverse groups in the united states the editors want the book to help students see how the lives of different groups develop in the context of their race class and gender location in society central to the book is the idea that race class and gender are interconnected

race gender sexuality and social class dimensions of inequality edited by renowned researcher and scholar susan ferguson presents a contemporary and compelling overview of race ethnicity gender and social class issues in the united states today taking an intersectional approach the book is organized topically rather than focusing on specific race ethnic subgroups the content is framed around the themes of identity experiences of race class gender or sexuality difference inequality and social change or personal empowerment with historical context threaded throughout to deepen the reader s understanding with engaging readings and cutting edge scholarship the collection is not only refreshingly contemporary but also relevant to students lives

race class gender an anthology 9th edition featuring a readable and diverse collection of more than 60 writings by a variety of scholars race class gender demonstrates how the complex intersection of people s race class gender and sexuality shapes their experiences and who they become as individuals each reading addresses a timely and often controversial topic such as health care inequality undocumented students domestic violence genetic technologies and the effect of the media on body image thereby giving readers a multidimensional perspective on a number of social issues co editors andersen and collins begin each section with an in depth introduction to provide readers with a framework for approaching and understanding the articles

our lived realities reading gender in malaysia is rooted in the concrete experiences of women and men in malaysia this first gender anthology produced by the women s development research centre kanita is centred on the belief that scholarly discourses should not only be framed at the academic level but that they should also be grounded in people s lived realities this anthology is a collection of essays based on such empirical data utilising a feminist framework and a gender lens offering new insights into the understanding and analysis of local and national issues it maps the landscape of women s issues which have remained persistent and unresolved over the years issues

which are often seen by policy makers as inconsequential to economic development but yet they impact heavily on people's lives often violating their rights this volume is significant in filling the void in the local literature in women's and gender studies the essays are relevant and cover a wide range of topics such as gender and literature violence against women and women's lack of political representation women gender and development discourses local interventions among poor women inadequacies of legal codes and procedures and the shifting boundaries of islam jurisprudence and gender in malaysia it is a must read for academics researchers students not only in women's and gender studies but also to those in sociology law and islamic jurisprudence economics and development it should also be read by policy and decision makers including civil society activists who are concerned with issues of social and gender justice in malaysia universiti sains malaysia penerbit universiti sains malaysia

this book presents ideas on education gender and intersectionality through a transdisciplinary frame by crossing disciplinary and methodological borders exploring the diversity of educational settings ranging from early childhood to adult education it brings together scholars from various disciplines to discuss deconstruct and problematize gender and education in relation to several themes in a comparative intersectional local national regional and international perspective each chapter approaches the topic in an intersectional and or transnational manner and creates powerful gendered educational knowledge questions addressed in the book include what are the challenges or barriers to gender equal education how can we understand the gaps between formal policies and educational practices the chapters in the book illustrate how gender and education are relevant and needed concepts within the field of transdisciplinary research the authors hail from a range of countries such as croatia indonesia turkey uk as well as the nordic region and they critically examine gender and education at all levels and in diverse sectors and with varied lenses such as neoliberalism in education and the inclusion of newcomers and refugees the work also critically investigates programs and pedagogical approaches culture and values knowledge and identity in teacher education the book further addresses criticisms of western and anglophone bias around white feminism and the norm of white male and heterosexual privilege

included in race class and gender are 64 interdisciplinary readings the authors provide very accessible articles that show how race class and gender shape people's experiences and help students to see the issues in an analytic as well as descriptive way the book provides conceptual grounding in understanding race class and gender it has a strong historical and sociological perspective and it is strengthened by conceptual introductions by the authors students find the readings engaging and accessible but may gain the most from the introduction sections that highlight key points and relate essential concepts included in the collection of readings are narratives aimed at building empathy and articles on social issues such as prison affirmative action poverty immigration and racism among other topics

they all raise gender related issues that affect the beliefs and actions of contemporary women and men the writings in this widely diversified anthology consider these issues mainly from feminist perspectives plus other issues equally provocative the authors of the selections female and male straight and gay and representing minority as well as dominant cultural perspectives draw on their own experiences to philosophize and draw conclusions based on thoughtful analysis helpful introductions and thought provoking questions by the editor set the stage for each article and then raise further areas for thought on the part of the reader

comprises 25 essays which explore the joint effects of gender culture and ethnicity in people's lives discusses ways in which the lives of men and women differ from one culture to another and examines issues of race and class stereotypes and roles covers a range of cultural and ethnic populations and addresses issues affecting both women and men includes papers on gender and health on a kibbutz in israel feminist therapy among puerto rican women rarity of intergroup violence in a community in papua new guinea and the compatibility of hunting and mothering in the philippines

this distinctive anthology emphasizes the philosophy of gender mccracken presents a balanced treatment of this discipline taking care to include a variety of historical and contemporary perspectives from male and female philosophers she provides and analyzes significant treatments of the question of gender by authors from the traditional western canon these selections demonstrate the long standing complex issue of gender and pose a variety of answers selected excerpts from literature demonstrate the presence of the gender debate in fiction and add dimension to studies in this area

this collection of theoretical and empirical research on gender and politics assembles contributions from a group of international scholars providing varied accounts of the political interests of gender it examines how to bridge the gap between discursive and socio materialist accounts of gender relations and politics offering new models for theoretical and empirical research the first five chapters provide a theoretical framework for the collection while the following eight chapters shed light on key concepts through detailed case studies of such topics as human rights womens movements gendered labor markets international monetary policy equality policy and queer politics publisher s description

this cutting edge reader demonstrates the multiple ways in which the universe of gender is socially culturally and historically constructed the selections focus on gender itself how gender operates socioculturally exists functions and is presented in micro and macro interactions in order to avoid balkanization the authors examine the various ways in which culture intersects with individuals to produce the range of presentations of self that we call gender from people born male who become adult men to lesbian women to transmen and everyone else on the diverse gender spectrum

there has been an outpouring of discussion and interest in recent years on gender and sexual identities in the disciplines of sociology and women s studies now for the first time there is a reader available that bridges the study of both gender and sexuality providing a thorough examination of their interconnections in an accessible format the editors of the new basics construct a new model for making sense of gender and sexuality by raising provocative questions such as how has our understanding of the relationship among sex gender and sexuality changed over time how are these concepts constructed differently across cultures what is the difference between transgender transsexual and queer how does class and race shape people s experiences and expressions of gender and sexuality while exploring a wide range of issues each piece makes the relationship among sex gender and sexual identities central to the analysis the new basics includes first person accounts and narratives poems theoretical analyses and critiques of existing research due to the evolution of thought and terminology in recent years the editors have included a useful and unique glossary of basic and new terms

this edited work explores how literature and film interact with political economic and social life in africa

when genderqueer was first published in 2002 it was groundbreaking even inventing a new word for those whose voices had been hidden behind the walls of the gender binary now finally it s republished and those voices are still fresh and compelling in a volume that can take its place as one of the field s early and most original classics michael kimmel suny distinguished professor of sociology and gender studies stony brook university retired perhaps more than any other issue gender identity has galvanized the queer community in recent years the questions go beyond the nature of male female to a yet to be traversed region that lies somewhere between and beyond biologically determined gender in this groundbreaking anthology first published nearly two decades ago three experts in gender studies and politics navigate around rigid societally imposed concepts of two genders to discover and illuminate the limitless possibilities of identity thirty first person accounts of gender construction exploration and questioning provide the groundwork for cultural discussion political action and even greater possibilities of autonomous gender choices joan nestle is the cofounder of the lesbian herstory archives in new york and the writer and editor of six books including the groundbreaking women on women series riki wilchins is the executive director of genderpac the national gender advocacy group and the cofounder of the gender identity project of new york city s lesbian and gay center she is the author of read my lips sexual subversion and the end of gender gender theory burn the binary and transgressive clare howell is a senior librarian at the brooklyn public library

provides a comprehensive review of feminist scholarship in the social sciences showing how the experiences of both men and women are created through social institutions

featuring an accessible and diverse collection of more than 60 writings by a variety of scholars this anthology demonstrates how the complex intersection of people s race class gender and sexuality shapes their experiences and who they become as individuals each reading in race class gender addresses a timely and often controversial topic such as health care inequality undocumented students domestic violence genetic technologies and the effect of the media on body image thereby giving readers a multidimensional perspective on a
