racial domination racial progress the sociology of race in america looks at race in a clear and accessible way allowing students to understand how racial domination and progress work in all aspects of society examining how race is not a matter of separate entities but of systems of social relations this text unpacks how race works in the political economic residential legal educational aesthetic associational and intimate fields of social life racial domination racial progress is a work of uncompromising intersectionality which refuses to artificially separate race and ethnicity from class and gender while at the same time never losing sight of race as its primary focus the authors seek to connect with their readers in a way that combines disciplined reasoning with a sense of engagement and passion conveying sophisticated ideas in a clear and compelling fashion

in whiteness interrupted marcus bell presents a revealing portrait of white teachers in majority black schools in which he examines the limitations of understandings of how white racial identity is formed through in depth interviews with dozens of white teachers from a racially segregated urban school

district in upstate new york bell outlines how whiteness is constructed based on localized interactions and takes a different form in predominantly black spaces he finds that in response to racial stress in a difficult teaching environment white teachers conceptualized whiteness as a stigmatized category predicated on white victimization when discussing race outside majority black spaces bell s subjects characterized american society as postracial in which race seldom affects outcomes conversely in discussing their experiences within predominantly black spaces they rejected the idea of white privilege often angrily and instead focused on what they saw as the racial privilege of blackness throughout bell underscores the significance of white victimization narratives in black spaces and their repercussions as the united states becomes a majority minority society

an eye opening exploration of race in america in this deeply inspiring book winona guo and priya vulchi recount their experiences talking to people from all walks of life about race and identity on a cross country tour of america spurred by the realization that they had nearly completed high school without hearing any substantive discussion about racism in school the two young women deferred college admission for a year to collect first person accounts of how racism plays out in this country every day and often in unexpected ways in tell me who you are guo and vulchi reveal the lines that separate us based on race or other perceived differences and how telling our stories and listening deeply to the stories of others are the first and most crucial steps we can take towards negating racial inequity in our culture featuring interviews with over 150 americans accompanied by their photographs this intimate toolkit also offers a deep examination of the seeds of racism and strategies for effecting change this groundbreaking book will inspire readers to join guo and vulchi in imagining an america in which we can fully understand and appreciate who we are
