we find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church israel and the world as it is and will be i am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation therefore i am thankful for richard tow and his timely service to the body of christ in laboring to produce this important book a generation of believers young and old are searching for biblical truth with depth on the subject of the return of jesus because of the recent escalation of trouble and

darkness i highly recommend that richard s book be a priority for any searching for a clearer sense of the why behind the what of the timing of the tribulation that precedes the lord s return david sliker president international house of prayer university my friend and fellow minister for many years richard tow has written a must read book if you are interested in eschatology his comprehensive scholarly non dogmatic research of scripture and the positions held on the tribulation and the rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse rapture or tribulation is the kindest most thorough book i have read on the topic dr loren houlberg professor author and regional pastor for the foursquare church

the idea of the rapture the return of christ to rescue and deliver christians off the earth is an extremely popular interpretation of the bible s book of revelation and a jumping off point for the best selling left behind series of books this interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide in the rapture exposed barbara rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the bible the truth rossing argues is that revelation offers a vision of god s healing love for the world the rapture exposed reclaims christianity from fundamentalists destructive reading of the biblical story and back into god s beloved community

our gathering back to christ provides scriptural references about whether we will be taken from the earth or be here waiting and watching when christ returns

stimulating theology is an oxymoron for most people theology sounds like something for the severely intellectual full of complicated ideas that escape the typical christian reader in reality theology is meant to enhance our understanding of god most of the words that make up the christian vocabulary are common words drawn from the realities of life and therefore are easily applicable to real life based on this premise four leading authors have come together to create this excellent volume the theological wordbook tackles tough words such as propitiation regeneration righteousness and predestination but it does so in a natural plain spoken manner designed to be enlightening rather than evasive also literally dozens of words you are likely to use every day such as forgiveness mind peace rest family truth and guilt have profound biblical value using the theological wordbook can enable you to more fully appreciate what the bible teaches on these crucial topics and how each of these terms is relevant for life today as this happens your understanding of god will expand and as the words you use speak and hear in the community of faith become more familiar you will become more connected to your own spiritual heritage the theological wordbook is the link between understanding god s word in your head and accepting it in your heart

have you had unexplainable supernatural experiences or seen angels and demons or maybe you ve heard the audible voice of god or seen visions and dreams do you have a growing passion and hunger for the word of god seemingly out of nowhere have you ever been referred to as crazy or treated differently than others do you always feel as though you re the only one who understands or desires the deeper things of life in a crowded room if this sounds like you then you are a chosen one someone with a unique calling and purpose from god jesus christ is calling his chosen to embark on a journey with him while bringing others along the way it s

called the chosen journey a path that is god ordained and holy spirit initiated the author shares the testimony of her own chosen journey and the phases involved on this biblical and spiritual expedition the principles discussed will assist the chosen in understanding their path while revealing god s heart concerning this last days generation
