essay from the year 2023 in the subject philosophy philosophy of the ancient world language english abstract the revolt of the masses commenced long before the twentieth century and the only remedy to the ochlocratic plutocratic democracy of our days is the implementation of the platonic polity for unless wisdom joins the political power as the great athenian philosopher has explained the suffering of the humankind

will never end today plato s political philosophy is more relevant than ever our world is ruled by a more or less occult government marked by nepotistic plutocracy and the consequent flagrant corruption and this government exercises power thanks to support provided to them by all sorts of real or imaginary oppressed and their method is simple very simple there is a huge difference between the common man and the man who is able to think yet in the framework of today s plutocratic democracy everyone regardless of his origin education and skills is regarded as a human truly having his mind at work and accordingly entitled to have opinion on political matters usually moreover this very regime is labelled as platonic but it is not as a matter of fact it is a perversion of platonism for it recognizes the problems that plague humankind today overpopulation environmental pollution etc but tries to solve them in a wrong way according to plato nepotism and plutocracy bring about the destruction of the state
