the formation of priests means following a singular journey of discipleship which begins at baptism is perfected through the other sacraments of christian initiation comes to be appreciated as the centre of one's life at the beginning of seminary formation and continues through the whole of life this ratio fundamentalis emphasises that formation both initial and ongoing must be seen through a unifying lens which takes account of the four dimensions of formation proposed by pastores dabo vobis together these dimensions give shape and structure to the identity of the seminarian and the priest and make him capable of that gift of self to the church which is the essence of pastoral charity

the journey of priestly formation beginning with the seminary years is described in the present ratio fundamentalis in terms of four characteristic elements of formation understood as one integral grounded in community and missionary in spirit

catholic pamphlet

krzysztof pawlina presents in his book a profile of a candidate for the priesthood who enters a seminary in poland the study was first conducted by survey method in 2000 and then repeated twenty years later in the former period the survey covered seminarians born and partly brought up during the communist rule in poland while in the latter the survey subjects were young people who were brought up in the conditions of a democracy and the free market economy the research captured the change that had taken place in regard to the social identity lifestyle and mentality of candidates for the priesthood the study covered aspects such as the geographical and social sources of priestly vocations the cultural background of priesthood candidates their religiosity their world of values their motivations their understanding of the priesthood and the church this change in question was explored in the context of social transformations especially the secularisation processes taking place in the last two decades of poland

the preparation of new priests for ministry currently faces closer scrutiny than at any time since the reformation and the importance of effective priestly formation has perhaps never been clearer in the entire history of the church in models of priestly formation some of the world's leading experts on the topic consider priestly formation since vatican ii explore current best practices internationally and imagine what the future of such formation might look like the book promises to become an essential reference for every person involved in priestly formation and for anyone interested in understanding better how it is carried out and how those who do it think about their task the ebook edition includes four additional essays

includes entries for maps and atlases
