extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching this most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness how effective sermons end provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion this book

fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the word of god the pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

the woodwinds perform understand teach provides comprehensive coverage about the woodwind family of musical instruments for prospective instrumental music teachers what sets this book apart is its focus on how to teach the instruments preparing students in the how of teaching is the ultimate goal of the woodwind class and the ultimate goal of this book which organizes information by its use in teaching beginning instrumentalists in developing performance and understanding pre service teachers are positioned to learn to teach through performance contrasted with an old school belief that one must first spend much time tediously trying to understand how things work before playing the instruments the book is organized in three parts preliminaries teaching the instruments and foundations chapters in teaching the instruments are organized by instrument flute clarinet saxophone oboe bassoon and within each instrument according to how an effective teacher might organize experiences for novice learners basic embouchure and air stream are covered first followed by instrument assembly then hands and holding embouchure coverage returns in greater depth then articulation and finally the mechanism which includes sections on the instruments of the family transposition range special fingerings tuning and intonation and reeds in foundations topics are situated in big picture contexts calling attention to the broad applicability of information across instruments

the cost of unsuccessful web projects runs into many millions intranets that don t deliver websites that customers won t use sometimes the problem is technological but at other times the project team has failed to understand some of the basic human dynamics involved or have used processes that are inappropriate managing projects describes how to manage a successful web delivery project running throughout is a case study based on a real occurrence that is developed chapter by chapter to demonstrate project management concepts in the context of a web delivery project the book is illustrated throughout by examples also drawn from actual cases of web delivery projects an appendix provides essential
