this volume the eighth in the history of the university of oxford shows how one of the world s major universities has responded to the formidable challenges offered by the twentieth century because oxford s response has not taken a revolutionary or dramatic form outside observers have not always appreciated the scale of its transformation here full attention is given to the forces for change the rapid growth in provision for the natural and social sciences the advance of professionalism in scholarship sport and cultural achievement the diffusion of international influences through rhodes scholars two world wars and the university s mounting research

priorities the growing impact of government and of public funding the steady advance of women and the impact made by oxford's broadened criteria for undergraduate admission the volume also provides valuable background material for the discussion of educational policy in short it presents the reader with a rich cornucopia of insight into many aspects of british life

this fresh and readable account gives a complete history of the university of oxford from its beginnings in the eleventh century to the present day written by one of the leading authorities on the history of universities internationally it traces oxford's improbable rise from provincial backwater to one of the world's leading centres of research and teaching laurence brockliss sees oxford's history as one of discontinuity as much as continuity describing it in four distinct parts first he explores oxford as the catholic university in the centuries before the reformation when it was principally a clerical studium serving the needs of the western church then as the anglican university in the years from 1534 to 1845 when oxford was confessionally closed to other religions it trained the next generation of ministers of the church of england and acted as a finishing school for the sons of the gentry and the well to do after 1845 the imperial university saw the emergence over the following century of a new oxford a university which was still elitist but now non-confessional became open to women as well as men took students from all round the empire and was held together at least until 1914 by a novel concept of christian service the final part the world university takes the story forward from 1945 to the present day and describes oxford's development as a modern meritocratic and secular university with an ever growing commitment to high quality academic research throughout the book oxford's history is placed in the wider context of the history of higher education in the uk europe and the world this helps to show how singular oxford's evolution has been a story not of entitlement but of hard work difficult decisions and a creative use of limited resources and advantages to keep its destiny in its own hands

explore the rich and fascinating history of one of the world's most prestigious institutions of higher education with a history of the university of oxford by george charles brodrick this meticulously researched volume delves into the captivating story of oxford university tracing its evolution through centuries of academic excellence and societal change a vital resource for anyone interested in the history of education british history or the development of academic institutions this book offers a comprehensive overview of oxford's past journey through the significant events influential figures and enduring traditions that have shaped the university's identity discover the unique characteristics that have established oxford as a global center for learning and scholarship a timeless exploration of academic heritage this history provides invaluable insights into the legacy of oxford university this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we
