on march 10 1948 world renowned composer and pianist ernst von dohnányi 1877 1960 embarked for the united states leaving europe for good only a few years earlier the seventy year old hungarian had been a triumphant internationally admired musician and leading figure in hungarian musical life fleeing a political smear campaign that sought to implicate him in intellectual collaboration with fascism he reached american shores without a job or a home a wayfaring stranger presents the final period in dohnányi s exceptional career and uses a range of previously unavailable material to reexamine commonly held beliefs about the musician and his unique oeuvre offering insights into his life as a teacher pianist and composer the book also considers the difficulties of émigré life the political charges made against him and the compositional and aesthetic dilemmas faced by a conservative artist to this rich biographical account veronika kusz adds an in depth examination of dohnányi s late works in most cases the first analyses to appear in musicological literature this corrective history provides never before seen photographs of the musician s life in the united states and skillfully illustrates dohnányi s impact on european and american music and the culture of the time

the international court of justice in french the cour internationale de justice also commonly known as the world court or icj is the oldest most important and most famous judicial arm

of the united nations established by the united nations charter in 1945 and based in the peace palace in the hague the primary function of the court is to adjudicate in disputes brought before it by states and to provide authoritative influential advisory opinions on matters referred to it by various international organisations agencies and the un general assembly this new work by a leading academic authority on international law who also appears as an advocate before the court examines the statute of the court its procedures conventions and practices in a way that will provide invaluable assistance to all international lawyers the book covers matters such as the composition of the court and elections the office and role of ad hoc judges the significance of the occasional use of smaller chambers jurisdiction the law applied preliminary objections the range of contentious disputes which may be submitted to the court the status of advisory opinions relationship to the security council applications to intervene the status of judgments and remedies referring to a wealth of primary and secondary sources this work provides international lawyers with a readable comprehensive and authoritative work of reference which will greatly enhance understanding and knowledge of the icj the book has been translated and lightly updated from the french original r kolb la cour internationale de justice paris pedone 2013 by alan perry solicitor of the senior courts of england and wales winner of the 2014 american society of international law certificate of merit for high technical craftsmanship and utility to practicing lawyers and scholars robert kolb s international court of justice provides a magisterial lucid study of its subject the breadth and depth of the treatment are impressive kolb takes the reader from the history of the court to its role in international society to the more technical questions concerning its composition powers and procedures to the development of its jurisprudence and to its future the finely grained discussion provides much more than a mere survey of the court s constitutive instruments

and decisions it engages the court as an institution and asks how it actually operates and secures efficacy and authority in doing so the book's careful and detailed coverage of the court's legal framework and operation will benefit practitioners and scholars alike there is no doubt that Kolb's volume immediately takes a place among the authoritative references on the court asil book awards committee this title is included in Bloomsbury Professional's international arbitration online service

this publication constitutes the fifth volume of national studies on assessing the economic contribution of the copyright based industries creative industries series and contains the studies carried out in China Finland Pakistan Panama and Slovenia the publication reviews the contribution of economic activities based on copyright and related rights to the creation of national value added employment and trade in selected countries and broadens the scope of WIPO led research on the economic aspects of copyright

this companion volume to the world development report 2009 comprises twenty papers authored by noted asian scholars these studies highlight how throughout east asia spatial considerations have influenced government policies at the national regional and local levels key themes include how countries have dealt with 1 agglomeration economies urbanization and regional disparities 2 improving connectivity with infrastructure investments and 3 eliminating barriers across and within countries to favor the movement of labor goods and services achievements vary widely across countries while some succeeded in enhancing competitiveness and improving social outcomes others are experiencing increasing inequalities and failures to spur growth in disadvantaged areas the book highlights many examples of how the new economic geography is reshaping development objectives from initiatives to foster growth via enhanced agglomeration and improved local connectivity to the world economy to special decentralization programs that channel resources to lagging regions this volume will be of great interest to readers working in the areas of economic policy poverty reduction and urban rural development strategies and transport led infrastructure policy

ernő dóhnányi 1877 1960 was one of the most influential musicians of 20th century

hungarian music history as the chairman conductor he led the philharmonic orchestra for a quarter of a century from 1919 he was the director of the academy of music twice in 1919 and in 1934 1943 from 1931 he was also the head of the music department of the hungarian radio his positions required him to perform diverse social functions including his role as a member of the upper house of the hungarian parliament first and foremost however he was one of the greatest pianists and outstanding composers of his age research into his œuvre gained new momentum in the 1990s thanks to among others the author of the present volume who already became a devoted researcher of the dohnányi œuvre when she was still a student of musicology at the academy of music in budapest

seminar paper from the year 2008 in the subject american studies culture and applied geography grade 10 university of paderborn institut für anglistik und amerikanistik course from melting pot to quilt the immigration issue in the american studies classroom language english abstract as former u s president john f kennedy indicates in his posthumously published and recently re edited essay a nation of immigrants all citizens of the united states are immigrants or descendants of immigrants therefore according to the author immigration policy should suit their needs in order to ensure the well being of a country which depends on the contribution of immigrants in every aspect of its national life however with 37 4 million foreign born residents in the united states in 2006 of which 9 1 million have obtained legal permanent resident status since 1997 1 266 264 in 2006 only and an estimated 11 6 million are unauthorized migrants immigration has become a highly controversial subject fuelled by the 9 11 attacks and a growing xenophobia in the united states protest against legal and illegal immigration is increasing forcing politicians to take action although the u s economy depends largely on immigrant labour immigration policy is

becoming tougher than ever this paper deals with the latest legal efforts to control illegal immigration the 2005 border protection anti terrorism and illegal immigration control act house of representatives bill 4437 and the 2006 comprehensive immigration reform act senate bill 2611 and the reactions they caused among americans in order to illustrate the momentousness of the current debate about unauthorized migration i will start with an overview of the most important facts and figures including a definition of the notion illegal unauthorized im migrant the countries of origin and distribution of illegal immigrants and their impact on the u s economy this will be followed by a discussion of the h r 4437 and s 2611 bills and the conclusion to this paper
