art in the age of the internet 1989 to today is the first major thematic group exhibition in the united states to examine the radical impact of internet culture on visual art featuring 60 artists collaborations and collectives the exhibition is comprised of over 70 works across a variety of mediums including painting performance photography sculpture video web based projects and virtual reality the exhibition is divided into five sections that explore themes such as emergent ideas of the body and notions of human

enhancement the internet as a site of both surveillance and resistance the circulation and control of images and information the possibilities for exploring identity and community afforded by virtual domains and new economies of visibility accelerated by social media throughout the work in the exhibition addresses the internet age democratization of culture that comprises our current moment the earliest work in the exhibition is from 1989 the year that tim berners lee invented the world wide this development and others that followed in quick succession modernized the internet and in the process radically changed our way of life from how we access and generate information make friends and share experiences to how we imagine our future bodies and how nations police national security 1989 also marked a watershed moment across the globe with significant shifts in politics geographies and economies events such as the fall of the berlin wall and protests in tiananmen square signaled the beginning of our current globalized age which cannot be imagined without the internet

american maelstrom captures the full drama of the 1968 watershed election taking us to the source of the politics of division

instant 1 new york times bestseller instant usa today bestseller the long anticipated sequel to sister souljah s million copy new york times bestseller the coldest winter ever winter santiago hit time served still stunning still pretty still bold still loves her father more than any man in the world still got her hustle and high fashion flow she s eager to pay back her enemies rebuild her father s empire reset his crown and ultimately to snatch midnight back into her life no matter which bitch had him while she was locked up but winter is not the only one with revenge on her mind simone winter s young business partner and friend is locked and loaded and winter is her target will she blow winter s head off can winter dodge the bullets or will at least one bullet blast winter into another world either way winter is fearless hell is the same as any hood and certainly the brooklyn hood she grew up in that s what winter thinks a heartwarming heart burning passionate sexual comical and completely original adventure is about to happen in real time raw shocking soulful and shameless true fans won t let winter travel alone on this amazing journey

if the republican party is no longer the party of barry goldwater ronald reagan newt gingrich small government or fiscal restraint

then what is it and what s a self respecting less government fiscally conservative voter supposed to do has the gop lost its mind yes says author and rising star new york post columnist ryan sager in the surprising new book the elephant in the room outspoken and fed up sager a conservative and a libertarian foresees major upheaval ahead for the republican party as the long marriage of convenience between the social conservatives a k a the religious right primarily in the south and the small government conservatives a k a libertarians primarily in the west is unraveling and the coalition that has put and kept the republican party in power faces disaster the possibility of a democratic resurgence is on the horizon not only would infighting cripple the gop but the people ready to jump ship control much of the campaign cash on wall street and elsewhere and crucial swing votes in leave us alone states such as arizona colorado nevada and montana as the nation s population and electoral map shift south and west the current republican party increasingly favors southern values religion morality tradition over western ones freedom independence privacy the result the party is in danger of losing its western base provocative and by turns hilarious and sobering the book deftly traces the rocky and colorful path the republican party has taken to bring it to its present precarious position sager saves his sharpest arrows for the current administration flag bearers of big government conservatism which sager interprets to mean that free spending big government is not so bad so long as it s republicans doing the spending and intruding into the lives of americans instead of democrats in short sager says the gop has adopted the political philosophy that anything goes so long as we stay all hope is not lost however and in the elephant in the room sager offers a way out of the mangled mess he calls it a renewal of fusionism a better blend between liberty and tradition freedom and responsibility one that emphasizes small government instead of republican controlled government morality instead of moralism and principles instead of politics

in the sister souljah reader s companion you will find excerpts from three unforgettable novels by new york times bestselling author sister souljah the coldest winter ever midnight a gangster love story and midnight and the meaning of love

stephen k medvic s campaigns and elections addresses two distinct but related aspects of american electoral democracy both the

processes that constitute campaigns and elections and the players who are involved in addition to this balanced coverage on process and actors it also gives equal billing to both campaigns and elections and to contests for both legislative and executive positions at the national and state and local level the book starts by providing students with the conceptual distinctions between what happens in an election and the campaigning that proceeds it significant attention is devoted to setting up the context for these campaigns and elections by covering the rules of the game in the american electoral system as well as aspects of election administration and the funding of elections then the book systematically covers the actors at every level candidates and their organizations parties interest groups the media and voters and the macro level aspects of campaigns such as campaign strategy and determinants of election outcomes the book concludes with a big picture assessment of campaign ethics and implications of the permanent campaign

an expansion on the author s argument for literacy in a is for ox

written in a bold inventive style xodus aims at a new positive reconstruction of african american maleness in light of the black womanist movement the men s movement the recent vision of malcolm x and martin luther king jr and the theological sensibilities of howard thurman

conference titled symposium on african american perspectives in bioethics and second annual conference on health disparities held on september 23 24 2004 at georgetown university p viii
